Dr. D. S. SURYAWANSHI, HEAD OF THE DEPARTMENT

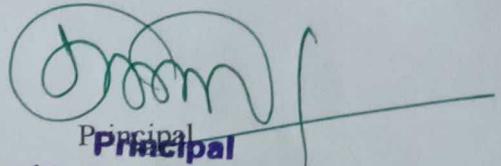

Date: 20/ 10 / 2021

Report:

On the behalf of Harbarium week on 06 October-2021 Jawahar College of Arts, Science and Commerce College, Anadur organized a local biodiversity field work program near within and surrounding Field & the Bori Dam . Total 45 students, 20 male and 25 female students participated in the field visit. They observed the 21 different Plant species of Different Families, Five Algal different species are found . Then students visited the primary bund and its allied area of the percolation dam present at the backside of the college. Students observed various aquatic species over there including fishes, boatmen, frog, crabs and snails. Care was taken by the teacher that number of students doubt is stay unanswered. Head of Department Dr. D. S. Suryawanshi led this entire program and other faculty members coordinated with him. Overall tour was a successful biological summit and a crucial step towards the biodiversity conservation & Harbaruim collection of Anadur locality with inters discipline approach.
