Subject: Appreciation Remark for Successful Conductance of Educational Tour.

Respected Sir,

On behalf of Institution, I congratulate Department of Zoology for successful conductance of Educational Tour 2021-2022. Students have enthusiastically explored and learned many aspects related to zoology as well as importance of multidisciplinary studies. This study has also proven important for industrial exposure to students that will help them to undertake proper decisions regarding career path in future. The College is dedicated for measures to be taken for providing more and more practical exposure to the students and express its staunch support for the same.

Best wishes and regards for the future endeavor in Student Practical Industrial Exposure and Recreation.

REPORT:

Visit to Mahatma Phule Agriculture University was the most important section of this tour. Students visited various applied zoology departments and section at the university. They got information regarding animal husbandry, goat and sheep farming, poultry farming, Emu culture, aquaculture and other agriculture-allied businesses. Students got a wide exposure to variety of biodiversity regions from evergreen forest of Trambakeshwar to the heights of Matheran, from sea-shores of Jangira to fresh water tanks of Mahad. Many students were motivated to take forest as career after visit to Shahapur forest guard training centre. This tour got its spiritual touch by visiting pious shrines like Shirdi, Pali and Trambakeshwar. Along with study, students also experienced various historical places and other tourist attractions along the route. Continental shelves and costal ecosystem was experienced by students.

(Field Record)

SR. NO.	COMMON NAME	SCIENTIFIC NAME	SPECIAL CHARACTER OF THE SPECIES
1	Osmanabadi Goat	<i>Capra Aegagrus Hircus</i>	The body colour is mostly black but some animals with white patches on ears, neck and sometimes on body are also found. The hair coat is short and shining face profile is straight, ears are of medium size and drooping. Most of the males are
