Internal Quality Assurance Cell (IQAC)

Introduction:

The present Perspective Plan has been prepared for the period of five years commencing from the academic year 2013 to 2018 by taking into consideration the quality indicators of seven criteria of NAAC. The college IQAC committee, Head of the departments, and the principal, provided the guidelines for preparing the plan. It was discussed thoroughly in the IQAC meetings. Inputs from all stakeholders, their expectations, management policies and goals and objectives of the college have been used as the base in formulating the perspective plan.

IQAC always strives to enhance the quality culture in academic and administrative activities in the college and assists to maintain quality culture and create student centric environment in the college. The feedback collected from the students, employees and other stakeholders is analyzed, and the data is adopted for the enhancement quality. IQAC maintains the documentation of various activities leading to quality enhancement at the departmental and faculty level.

IQAC plays a vital role in maintaining and enhancing the quality of the institution and suggests quality measures. Feedback from all the stakeholders and the recommendations of the IQAC are taken into consideration and innovations are incorporated in the perspective plan. PBAS based self-appraisal of the teachers, encouragement to teachers for research through their involvement and contribution in seminars, conferences at national and international level, establishment of staff academy are some of the measures undertaken on priority basis for quality sustenance and enhancement as a strategy.

The Perspective Plan has been discussed, reviewed and approved in the College Development Committee of the college. It is our sincere effort to prepare the

framework for our collective efforts directed towards the attainment of our goals.

The functions of the IQAC Cell are:

- Development and application of quality benchmarks/parameters for the various academic and administrative activities of the Colleges;
- Facilitating the creation of a learner-centric environment conducive for quality education and faculty maturation to adopt the required knowledge and technology for participatory teaching and learning process;
- Arrangement for feedback responses from students, parents and other stakeholders on quality related institutional processes;
- Dissemination of information on the various quality parameters of higher education;
- Organization of inter and intra institutional workshops, seminars on quality related themes and promotion of quality circles;
- Documentation of the various programmes/activities of the College, leading to quality improvement; -2-
- Acting as a nodal agency of the college for coordinating quality-related activities, including adoption and dissemination of good practices
- Development and maintenance of institutional database through MIS for the purpose of maintaining / enhancing the institutional quality;
- Development of the Annual Quality Assurance Report (AQAR) of the College based on the quality parameters/assessment criteria developed by the relevant quality assurance body (like NAAC, NBA, AB) in the prescribed format;
- Bi-annual development of Quality Radars (QRs) and Ranking of Integral Unites of Colleges based on the AQAR;
- Interaction with SQACs in the pre and post accreditation quality assessment, sustenance and enhancement endeavors.
- Nature Quality Culture in the institution;
- Preparation of the Annual Quality Assurance Report (AQAR) as per guidelines and parameters of NAAC, to be submitted to NAAC

Perspective /Strategic Plan of

Jawahar Arts, Science & Commerce College, Anadur

After the visit of NAAC peer team on 28th to 30th October 2017, the college prepared the Perspective/Strategic plan considering the following aspects in tune with the **vision, mission and goals** of the college.

To accomplish the recommendations/compliances given by NAAC peer team in 2nd cycle i.e in the previous re-accreditation process.

The institution has a long term planning for the growth and development that is reflected in its Perspective Plan. The Internal Quality Assurance Cell (IQAC) of the college takes initiatives in the preparation of the perspective plan. The Institutional head and IQAC considers the quality indicators of certain criteria determined by NAAC. Also, the framework of plan is inclined towards the development of the institution that refers to the quality sustenance and quality enrichment.

VISION

To generate academic, scientific temper, physical, spiritual, social and cultural values among the rural students and to make them self-reliant through self-help to be responsible citizens of the world.

MISSION

To provide educational facilities and support to the deprived and marginalized students from rural area.

GOALS / OBJECTIVES

The objectives of Shikshan Prasarak Mandal's Jawahar Arts, Science & Commerce College, Anadur are as follows:

- To develop the indigenous qualities of the students, giving opportunity through academic activities.
- Generate academically, physically, spiritually and sound motivated graduates with awareness of importance of national integration and social responsibilities.
- Develop the overall personality of the student to create a good citizen.
- To provide the facilities of modern technology.
- Promote women's education by catering hostel accommodations for them & also to the backward & economically backward students of rural area.
- Promote a healthy atmosphere, corporate life and welfare of the students, teaching and non-teaching staff.
- Use of advanced technology in the field of ICT in teaching, learning and evaluation

Internal Quality Assurance Cell (IQAC) of the college has been working effectively for the post-accreditation quality sustenance measure. All members try their best for the consistent and catalytic improvement in every aspect of college, and channelize all the efforts towards promoting its academic excellence. The College tries its level best to fulfill the compliances asked by the previous peer team. The IQAC plays its role to enhance the quality culture in academic and administrative activities in the college and to assist to maintain quality culture in the college with creating a student centric environment.

IQAC has collected feedback from students, employees, employers and other stakeholders and used data for the enhancement of quality. It maintains the documentation of various activities leading to quality enhancement at departmental as well as faculty level. The previous AQARs have been sent to NAAC Bangalore. The IQAC carries the benchmarking at the end of the academic year and the future plan is prepared. The feedback from every criterion chairman is discussed and suggestions are taken into account.
