Subject: - For the permission of webinar on Examination From Home & Evaluation From
Home in the wake of COVID-19.

Respected Sir,

As per the pandemic situation in COVID-19 we are safe at home with family. All things are from home. The coming University examination will be postponed. That examination will be conducted by the University in on line mode. The nature of examination pattern, nature of question, time duration and procedure of login for the examination should be understood to the students for that purpose we want to conduct the webinar. Please give the permission to the same.

Thanking you.

Yours faithfully

Dr. Somshankar Rajmane.

Report

- 1) Objective-students will be benefited and they will be more confident for the examination. Without stress the will appear for online examination.
- 2) Speaker with key words- Mr. Yogrsh Pawar, address to the students. In his speech he give the information to the students. For on line examination we have to go the university portal. Unionline examination. In that you have enter the 16 digit permanent registration number. The pass word is your date of birth. That must be entered in the form of DD/MM/YY. After that you must select the faculty i.e. Humanities, Science and technology or commerce. Active test examination will be seen. The subject and subject code must be selected. After selection of subject code the time will start. The duration will be one hour. Selection of question you may see the four option. The correct answer must be selected to click on it. If you have to confusion then you may go to next question. After attending the all the questions you submit the examination. If time is off and you not submitted the examination, doesn't matter the system may submit auto save.
- 3) Outcomes- The students are free from stress. The worry about on line examination is overcome. In free mind the student face to the examination.
