Report of
Online Orientation for Research Guides and Research Students
from affiliated Colleges

Dr. Babasaheb Ambedkar Marathwada University, had conducted PET-2021 (A online Ph.D. entrance test -2021) in the academic year 2020- 2021. In this examination, nearly 4500 students in all subjects have cleared the PET examination and get admitted for Ph.D. course at various recognised research centres. Shrikrishna Mahavidyalaya has five recognized research centres in the subject Physics, Mathematics, Zoology, Chemistry and Geography and nearly 57 students affiliated with these centre. At university level the student number is very large and due to COVID-19 situations, most of the work was done by online mode. In this hectic situation students and research guides are not properly aware with norms and regulations of Ph.D. process. Hence, research centre of Physics department from Shrikrishna Mahavidyalaya, Gunjoti have jointly organized One day orientation course for newly admitted research students and newly recognized research guides in association with Jawahar College Anadur and JES College, Jalna. The online orienatiation programme was organized on 10.01.2021 at 12.10 pm and the resource person was Dr. Bhalchandra Waykar, Dean, Faculty of Science and Technology, Dr. B. A. M. University, Aurangabad. The topic covered in this programme were student allocation process, guide allocation process, Instructions for guide regarding RAC and DRC and instruction to students regarding whole Ph.D. procedure and norms. Google forms are filled by the participants and the programme was conducted on ZOOM app. The separate live you tube link was also provided for online participants too. Nearly 450 participants were attended a programme and a faithful discussion was made thorough the participants and resource person. From Shrikrishna Mahavidyalaya Gunjoti, Dr. R. H. Kadam, Associate Professor in Physics hade coordinate the programme. The session was become very useful for the participants.
