Webinar Report

On the occasion of AzadiKa Amrit Mahotsav and International Women's Day, Mr. Shanta Kaki Women Empowerment Cell, Department of Sociology and NSS organized on Tuesday 8th March 2022 on 'Single Women Rehabilitation Reality and Solutions' by Adv. Online lecture by Savita Balkrishna Shinde, former President International Socialist Youth Organization was organized on Google meet app. He gave in-depth guidance on how problems arise for single women and how to solve them and gave information about government schemes for single women. Honorable Mr. Ramchandra Dada Alure was present. As the president of this program, the principal of the college Dr. UmakantChannashetty was present.

Around 70 thousand women were widowed in Maharashtra during Corona. In this, the issue of rehabilitation of single women in rural areas, without special education and skills was critical. Keeping this in mind, the Corona Single Women Rehabilitation Committee has worked tirelessly for the past two years and at the end of the day, the committee has succeeded in contributing to the rehabilitation of about six thousand single women and providing them with all possible support.

Family and social violence against women should be prevented and equality between men and women should be created and married and unmarried men of the village should take initiative in this work. While gender equality and violence against women are the focus of this project, the most neglected, most disadvantaged segment of society is the single woman. The various problems of these women, suffering in their
