Department of Chemistry

Date 15/11/2019

To,
The Principal,
Jawahar Arts, Science and Commerce College, Anadur

Subject: Permission to conduct one day national seminar for students on '**Emerging Trends in Chemistry: Scope and Future**' in Academic year 2019-20.

Respected sir,

As per guidelines of IQAC/need of society/demand from student we have decided in our department meeting dated 15/11/2019 to conduct a one day national seminar on '**Emerging Trends in Chemistry: Scope and Future**'.

This seminar will helpful for students to enhance their knowledge in the field of chemistry.

Please give us permission

Head of Department

Subject: To Conduct one day national seminar for students on 'Emerging Trends in Chemistry: Scope and Future' in our College.

As per the decision taken in College Development Committee / your department meeting, you are directed to conduct one day national seminar for students on 'Emerging Trends in Chemistry: Scope and Future' in our college. This permission is given considering following terms.

- The seminar should be of one day.
- The seminar should be conducted in the academic year 2019-2020.
- Invite eminent resource persons.
- Prepare convenient seminar programme schedule.
- Convey to all colleges in the region and outside, about this event.
- Issue certificates to participating students.

To,
Dr. Prakash Wadgaonkar,
Eminent Scientist,
NCL, Pune.

Subject: Letter of invitation as resource person for one day national seminar.

Respected sir,

We have arranged one day national seminar for students on 'Emerging Trends in Chemistry: Scope and Future' in our College on 11 Dec. 2019. I am very pleased to have the honour of inviting you to deliver knowledgeable talk on **Role of Chemistry in human Life** at 11.30 am..

Copy of programme schedule is attached with this. I hope you will accept the invitation.

Thank you.

Department of Chemistry

To,
The Principal,

Subject: Invitation for Chemistry students to participate in One day Seminar.

Dear Sir,

During the approximately two centuries that chemical science has been practiced on an ever-increasing scale, it has enabled the production of a wide variety of goods that are valued by humans. These include such things as pharmaceuticals that have improved health and extended life, fertilizers that have greatly increased food productivity and semiconductors that have made possible computers and other electronic devices. Without the persistent efforts of chemists and the enormous productivity of the chemical industry, nothing approaching the high standard of living enjoyed in modern industrialized societies would be possible. With this motto, we are trying to motivate and inspire the Chemistry students through this, one day seminar on **“Emerging Trends in Chemistry: Scope & Future”**. This seminar will highlight the emerging trends, scope & future of Chemistry, role of chemistry in human lives and career opportunity. The issue of how to unlock the true potential of Chemistry in India will also be discussed.

This academic year 2019-2020, our parent institute **“Shikshan Prasarak Mandal, Anadur”** is celebrating **Sixty Year** (1959-2019) of its establishment. On this occasion our Department of Chemistry, Jawahar Arts, Science & Commerce College, Anadur is going to organize one day seminar on **“Emerging Trends in Chemistry: Scope & Future”** for under graduate and post graduate students on December 11, 2019.

In this seminar Dr. Prakash Wadgaonkar (Scientist CSIR-NCL, Pune) and Dr. Ajit Phadkule (Head, Dept. of Chemistry, Sangmeshwar College, Solapur) are interacting with students during the seminar.

So, please send 10 UG/PG student participants to attend this seminar on December 11, 2019 at 11:00 am.

Thanking You.

Chemistry: One Day Seminar for B. Sc. Students

On the occasion of 60th Year Celebration of
Shikshan Prasarak Mandal, Anadur

One day seminar

On

Emerging Trends in Chemistry: Scope & Future
December 11, 2019

Introduction:

There is certainly no doubt that innumerable seminars, events, talks and workshops are organized in various colleges on a regular basis.

If we arrange and conduct the Seminar or Workshops only for students it will give- **GOOD EXPOSURE** to them as, these sessions provide education not from books, but through practical examples and real life experiences. Eminent personalities and reputed organizations who conduct these sessions help the students to gain an insight of the outside world at an early age so that they have an idea of what the competitive world has in store for them when they step out of their comfort zone.

While many students tend to overlook them because they don't find them valuable or interesting, these events certainly are significant and worth attending due to various reasons as -

- **It Develop New Ideas**
- **It Improve Students Skills**
- **Receive Fresh Perspective to the Students**
- **It Encourage Dialogue**
- **It helps to Build the Network for Career**
- **It Enhance Students skills and experiences**

For these reasons The **Chemistry Department** of our **Jawahar College, Anadur** has taken an initiative to organize a '**State level One Day Seminar for Students on, Emerging Trends in Chemistry: Scope & Future**'.

Purpose of the Seminar:

This seminar is not just for our students. It was decided to give a chance to smart students from various colleges at the state level to participate in this seminar. The sole purpose behind this was to enable our rural students to interact with students from different colleges, exchange curricula and broaden their horizons by sharing ideas with each other.

Moreover, the invitees who come to this work school for lectures are definitely experts. All students should have the opportunity to hear their experiences and discuss with them to set their own goals and make a better career in their future lives.

Every student can make the best career through chemistry. In addition, students should be aware of the latest research and fields in chemistry.

The one-day seminar was organized for students only. About 215 students from 14 different colleges including our college participated in this.

Emerging Trends in Chemistry: Scope & Future

11th December, 2019

Programme Schedule

Sr. No	Time	Activity/ Theme	Speaker /Co-ordinator
1	10.00 am to 11.00am	Reporting & Registration Breakfast and tea	
2	11.00 am to 11.30 am	Inauguration - Welcome	Hon. S. N. Alure Guruji Dr. Umakant Chanshetti
3	11.30 am to 1.00 pm	Session I Role of Chemistry in Human Life	Dr. Prakash Wadgaonkar Eminent Scientist NCL, Pune
4	1.00 pm to 1.30 pm	Lunch	
5	1.30 pm to 3.00 pm	Session II The Bright future & Careers in Chemistry	Dr. Ajit Phadkule Sangmeshwar College (Autonomous), Solapur
6	3.00 pm to 4.30 pm	Session III In-Plant Training & Industrial Placement	Er. Jyoti Tarange Fantacy Technology
7	4.30 pm to 5.00 pm	Valedictory Function & Certificate Distribution

Inauguration:

On the occasion of the Diamond Year (60) of Shikshan Prasarak Mandal Anadur, a state level seminar for the students on 'Emerging Trends in Chemistry: Scope and Future' was organized by the Department of Chemistry of Jawahar College on Wednesday 11th December 2019. This seminar was inaugurated at the auspicious hands of Hon. S. N. Alure Guruji, Founder Secretary of the institution.

The seminar was addressed by Dr. Prakash Wadgaonkar, Senior Scientist, National Chemical Laboratory, Pune; Dr. Ajit Phadkule, Head of Department, Department of Chemistry, Sangmeshwar College, Solapur and Ms. Jyoti Tarange of Fantasy Technology, Solapur.

Speaking on the occasion of the inauguration, **Hon. S. N. Alure Guruji** said that, science becomes easier to understand if the basic concepts of science are clear to the students. For this, students should try to know its background and concept at the beginning of each lesson.

There are various opportunities available in chemistry today. You will understand it through this seminar. At the same time, Guruji appealed to think about how this chemistry can be used for the conservation of the environment.

Initially Principal Dr. Umakant Chanshetti welcomes all the guests, representatives of various colleges and participants. IQAC Co-ordinator Dr. Vishwas Mane gave the introductory about this seminar. Ms. Sneha Shinde anchored the seminar, Ms. Neha Mule, Ms. Manisha Yelkote and Ms. Rizwana Pinjari introduced the guests. Dr. Mallinath Langade, Head of the Chemistry Department of the college pay the vote of thanks.

Jawahar Arts, Science & Commerce College, Anadur, Dist-Osmanabad

Principal

Jawahar Arts, Science & Commerce College,
Anadur Tal. Tuljapur Dist. Osmanabad

Senior Scientist of NCL, Pune Dr. Prakash Wadgaonkar has highlighted on, 'The Role of Chemistry in Human Life', he shares his views as, we are surrounded by chemistry, but many people are not aware of that fact. Chemistry has influenced our life so much that we do not even realise that we come across chemicals at every moment; that we ourselves are beautiful chemical creations and all our activities are controlled by chemicals. The principles of chemistry have been used for the benefit of mankind. Foods we eat have to do with chemistry. They consist of organic compounds like carbohydrates -starch and sugar, protein, and lipids. Other nutrients like vitamins and minerals and water are all important chemical compounds. He also focused on the Chemistry in various fields like industry, polymers, agriculture etc. That's why there is more and endless future for Chemistry graduates.

In second session of the seminar Dr. Ajit Phadkule explained the Opportunities of Careers in Chemistry. He appealed to the students to be ready as a Chemist to contribute to society in many ways. You do not need to have the word *chemist* in your job title to benefit from understanding chemistry. Chemistry can be useful in explaining the natural world, preparing people for career opportunities, and producing informed citizens.

The managing Director of Fantasy Technology, Solapur Ms. Jyoti Tarange motivated the students to take in-plant training after completion of your graduation. As if you want to work in Polymer industries with your Chemistry subject back ground, along with this if you have adequate applicable knowledge of polymer industry, then you will get opportunity with ease. She also assured that, If Jawahar College has plan to conduct In-Plant Training at your campus, then Fantasy is ready to provide technical support with industrial experts, who could also arrange drives for your placements.

रसायनशास्त्र मानवी जीवनाचा अविभाज्य घटक : डॉ. वडगावकर

▶ अणदूर येथील जवाहर महाविद्यालयात रसायनशास्त्र विषयावर एक दिवसीय चर्चासत्र

अणदूर : रसायनशास्त्राशिवाय विश्व तर विश्वामध्ये रसायनशास्त्राशिवाय काही असू शकत नाही म्हणून रसायनशास्त्र मानवी जीवनाचा अविभाज्य घटक असल्याचे मत थोर शास्त्रज्ञ डॉ. प्रकाश वडगावकर यांनी व्यक्त केले. ते अणदूर येथील जवाहर महाविद्यालयात आयोजित रसायनशास्त्र चर्चासत्र कार्यक्रम प्रसंगी बोलत होते.

शिक्षण प्रसारक मंडळ अणदूर संस्थेच्या षष्ठ्यब्दी वर्षानिमित्त शिक्षण प्रसारक मंडळ अणदूर संचलित जवाहर कला विज्ञान व वाणिज्य महाविद्यालय अणदूर (ता. तुळजापूर जि. - उस्मानाबाद) येथे रसायनशास्त्र विभागाच्यावतीने बुधवार (दि. ११) रोजी इमर्जिंग ट्रेन्स इन केमिस्ट्री: स्कोप अँड

फ्युचर या विषयावर विद्यार्थ्यांसाठी एक दिवसीय चर्चासत्राचे आयोजन करण्यात आले होते. या चर्चासत्रात थोर शास्त्रज्ञ डॉ. प्रकाश वडगावकर एन.सी.एल., पुणे तसेच तज्ञ प्रा. डॉ. अजित फडकुले संगमेश्वर कॉलेज, सोलापूर यांच्यासह फटासी टेक्नॉलॉजीच्या ज्योती तरंगे या प्रमुख मार्गदर्शकांसह महाविद्यालयाचे प्राचार्य डॉ. उमकांत चनशेट्टी, रसायन शास्त्र विभाग प्रमुख डॉ. एम. एम. लंगडे यांचीही व्यासपीठावर उपस्थिती होती. कार्यक्रमाच्या सुरुवातीला व्यासपीठावरील मान्यवरांच्या हस्ते दिप प्रज्वलन करून या रसायनशास्त्र चर्चासत्राचे उदघाटन करण्यात आले. यावेळी प्रमुख मार्गदर्शकांनी विद्यार्थ्यांना इन प्लांट

ट्रेनिंग व इंडस्ट्रियल प्लेसमेंट याही विषयावर मार्गदर्शन केले. प्रमुख अतिथी म्हणून उपस्थित असलेले डॉ. अजित फडकुले यांनी रसायनशास्त्रातील संकल्पना सुस्पष्ट करून सांगितले तर मा. ज्योती

तरंगे यांनी विद्यार्थ्यांना नौकरी मिळविण्यासाठी लागणाऱ्या सॉफ्ट स्किल संदर्भात मार्गदर्शन केले. विशेष म्हणजे विद्यार्थ्यांसाठी चर्चासत्र घेणारे जवाहर हे पहिले महाविद्यालय ठरले. या चर्चासत्रात

तुळजापूर, उमरगा, लोहारा, उस्मानाबाद तालुक्यासह सोलापूर, लातूर, उस्मानाबाद जिल्ह्यातील विविध महाविद्यालयातील प्राध्यापक व विद्यार्थी मोठ्या संख्येने उपस्थित होते. सहभागी झालेल्या विविध महाविद्यालयातील व परिसरातील रसायनशास्त्र विषयाच्या पदवी व पदव्युत्तर महाविद्यालयीन विद्यार्थ्यांची या चर्चासत्रास मोठ्या संख्येने उपस्थिती होती. यावेळी, संस्थेचे सचिव सि. ना. आलुरे गुरुजी यांनी आपल्या मार्गदर्शनात परिसरातील गरीब व होतकरू विद्यार्थ्यांचे उच्च शिक्षण पूर्ण व्हावे, यासाठी आपल्या महाविद्यालयाची स्थापना केली असून महाविद्यालयात आयोजित केलेल्या सर्व प्राध्यापक, शिक्षकेतर कर्मचारी विविध उपक्रमांमधे विद्यार्थ्यांनी

मोठ्या संख्येने सहभागी होऊन अशा उपक्रमाचा जास्तीत जास्त विद्यार्थ्यांनी लाभ घ्यावा असे सांगून या कार्यशाळेसाठी सर्वाना शुभेच्छाही दिल्या. या एकदिवसीय चर्चासत्र कार्यक्रमाचे प्रास्ताविक जवाहर महाविद्यालयाचे प्राचार्य डॉ. उमकांत चनशेट्टी यांनी केले. सूत्रसंचालन महाविद्यालयातील विद्यार्थिनी कु. स्नेहा शिंदे हिने केले तर प्रा. डॉ. विश्वास माने यांनी आभार मानले. हे चर्चासत्र यशस्वी करण्यासाठी महाविद्यालयातील या कार्यशाळेचे समन्वयक डॉ. अमोल पाचपिंडे आणि डॉ. गटलेवार डी. एन., यांच्यासह तासिकातत्वावरील प्राध्यापक व महाविद्यालयातील सर्व प्राध्यापक, शिक्षकेतर कर्मचारी यांनी यत्न घेतले.

रसायनशास्त्र मानवी जीवनाचा अविभाज्य घटक-डॉ.वडगावकर

जवाहर महाविद्यालयात रसायनशास्त्रावर एकदिवशीय चर्चासत्र, विद्यार्थ्यांसाठी चर्चासत्र घेणार जवाहर हे पहिले महाविद्यालय

आणंदूर, ११ डिसेंबर : रसायनशास्त्राविषय विद्यार्थ्यांसाठी आयोजित रसायनशास्त्रावर चर्चासत्र घेणार जवाहर महाविद्यालय. यावेळी डॉ. प्रकाश वडगावकर यांनी रसायनशास्त्राचे महत्त्व, मानवी जीवनाचा अविभाज्य घटक असल्याचे मत पौर शास्त्रज्ञ डॉ. प्रकाश वडगावकर यांनी व्यक्त केले. ते आणंदूर येथील जवाहर महाविद्यालयात आयोजित रसायनशास्त्र चर्चासत्र कार्यक्रम प्रसंगी बोलत होते.

शिल्ल प्रकाश वडगावकर यांच्या अध्यक्षतेखाली आयोजित शिल्ल प्रकाश वडगावकर यांच्या अध्यक्षतेखाली आयोजित रसायनशास्त्र चर्चासत्र घेणार जवाहर महाविद्यालय. यावेळी डॉ. प्रकाश वडगावकर यांनी रसायनशास्त्राचे महत्त्व, मानवी जीवनाचा अविभाज्य घटक असल्याचे मत पौर शास्त्रज्ञ डॉ. प्रकाश वडगावकर यांनी व्यक्त केले. ते आणंदूर येथील जवाहर महाविद्यालयात आयोजित रसायनशास्त्र चर्चासत्र कार्यक्रम प्रसंगी बोलत होते.

प्रकाश वडगावकर यांनी म्हणून सांगितले की, रसायनशास्त्र ही एक अत्यंत महत्त्वाची शाखा आहे. ती मानवी जीवनाचा अविभाज्य घटक आहे. रसायनशास्त्राच्या मदतीनेच मानवी जीवनाचा अविभाज्य घटक म्हणून रसायनशास्त्राचे महत्त्व जाणवते. रसायनशास्त्राच्या मदतीनेच मानवी जीवनाचा अविभाज्य घटक म्हणून रसायनशास्त्राचे महत्त्व जाणवते.

महाविद्यालयाची स्थापना केली असून महाविद्यालयात आयोजित केलेल्या विविध उपक्रमांमध्ये विद्यार्थ्यांसाठी मोठ्या संख्येने महत्त्वाची योजना आणण्यात आली आहे. या कार्यक्रमासाठी मानवी जीवनाचा अविभाज्य घटक म्हणून रसायनशास्त्राचे महत्त्व जाणवते. रसायनशास्त्राच्या मदतीनेच मानवी जीवनाचा अविभाज्य घटक म्हणून रसायनशास्त्राचे महत्त्व जाणवते.

चर्चासत्र वेळी जवाहर हे पहिले महाविद्यालय ठरले. या चर्चासत्रात आणंदूर, उजाना, मोरगा, धारशिव, तालुक्यामध्ये सोलापूर, सांगली, धारशिव विद्यालयातील विद्यार्थ्यांची सहभागिता होती.

विद्यार्थी मोठ्या संख्येने उपस्थित होते. यावेळी डॉ. प्रकाश वडगावकर यांनी रसायनशास्त्राचे महत्त्व, मानवी जीवनाचा अविभाज्य घटक म्हणून रसायनशास्त्राचे महत्त्व जाणवते.

यावेळी, संख्येने अधिक विद्यार्थ्यांनी सहभाग घेतला. यावेळी डॉ. प्रकाश वडगावकर यांनी रसायनशास्त्राचे महत्त्व, मानवी जीवनाचा अविभाज्य घटक म्हणून रसायनशास्त्राचे महत्त्व जाणवते.

सकाळ

आणंदूर (ता. तुळजापूर) : जवाहर महाविद्यालयात आयोजित रसायनशास्त्र चर्चासत्राचे उद्घाटन करताना शास्त्रज्ञ डॉ. प्रकाश वडगावकर. यावेळी माजी आमदार सिद्रामप्या आलुरे गुरुजी, प्राचार्य डॉ. उमाकांत चनशेट्टी आदी.

Thanking Letter

To,
Dr. Prakash Wadgaonkar,
Eminent Scientist,
NCL, Pune.

Subject: Letter of Appreciation/ thanks for your presence as resource person.

Respected sir,

We would like to thank you for accepting our request and delivering expert talk on **Role of Chemistry in Human Life** in one day national seminar for students on 'Emerging Trends in Chemistry: Scope and Future' in our College on 11 Dec. 2019.

Your presence in this seminar gave an inspiration and motivation to our students. We hope this kindness and cooperation will continue in the future.

Thank you.
