Dear

- Learning Management System (LMS) through Moodle is one of the most popular LMS applications and is very appropriate for online learning study.

- The aim of this online workshop is to look at student learning activities that are learned in online using by LMS based Moodle applications, which will support to enhance the learning process of students.

- Moodle has various features that are able to support student activities online.

- What you could learn in this workshop?
 Learning activities supported by Moodle are

- (1) Why MOODLE is important?
- (2) How Design Course/Contents (Video, PDF, PPT).
- (3) How enroll student into the course?
- (4) Class Test using Quiz/Assay
- (5) Assignment/ Submission

Introduction:

Need:

On March 17, 2020, an order came from the Government of Maharashtra and the Dr. Babasaheb Ambedkar Marathwada University, Aurangabad to close the school and Colleges due to the increasing outbreak of Corona. From 22 March 2020 Hon'ble Prime Minister Narendra Modi announced complete lock down.

Everyone was scared due to this pandemic situation, but gradually overcoming this situation. Teachers and Professors of Schools and Colleges started sending notes, reference material in PDF or PPT format to their students using social media like WhatsApp, Email, Instagram, Twitter etc.

Students in the city started learning online using platforms like Zoom or Google Meet. Our Jawahar College is a rural college. Children of farmers and farm laborers study in our College. They needed to be brought into the flow of this **online e-learning**.

How to use electronic gadgets for learning? Due to the need to train teachers and professors in this regard, it became necessary to introduce and train new technologies like Zoom, Google Meet, Google Classroom, Moodle, Microsoft Office so that they know what kind of learning management system there is.

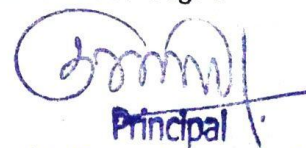

Due to pandemic situation it was not possible to come together in person. Therefore, there was a need to introduce this new technology and teaching method through webinars and provide training.

Prof. Dr. Satish Bhalshankar from Department of Management of Dr. Babasaheb Ambedkar Marathwada University, Aurangabad has shown interest to guide by giving a webinar about Moodle, a learning management system. Accordingly, a webinar on this topic was organised by **IQAC & Zoology Department of our Jawahar Arts, Science & Commerce College, Anadur, Dist- Osmanabad on May 21, 2020** by inviting him.

Learning Management System (LMS)

Learning management system (LMS) is a software application for the administration, documentation, tracking, reporting, automation, and delivery of educational courses, training programs, materials or learning and development programs. The learning management system concept emerged directly from e-Learning. Learning management systems make up the largest segment of the learning system market. The first introduction of the LMS was in the late 1990s. Learning management systems have faced a massive growth in usage due to the emphasis on remote learning during the COVID-19 pandemic.

Learning management systems were designed to identify training and learning gaps, using analytical data and reporting. LMSs are focused on online learning delivery but support a range of uses, acting as a platform for online content, including courses, both asynchronous based and synchronous based. In the higher education space, an LMS may offer classroom management for instructor-led training or a

Principal

Anadur Tal. Tuljapur Dist, Osmanabad

flipped classroom. Modern LMSs include intelligent algorithms to make automated recommendations for courses based on a user's skill profile as well as extract metadata from learning materials to make such recommendations even more accurate.

Purpose of LMS:

An LMS delivers and manages all types of content, including video, courses, workshops, and documents. In the education and higher education markets, an LMS will include a variety of functionality that is similar to corporate but will have features such as rubrics, teacher and instructor-facilitated learning, a discussion board, and often the use of a syllabus. A syllabus is rarely a feature in the corporate LMS, although courses may start with heading-level index to give learners an overview of topics covered.

About MOODLE: Modular Object-Oriented Dynamic Learning Environment

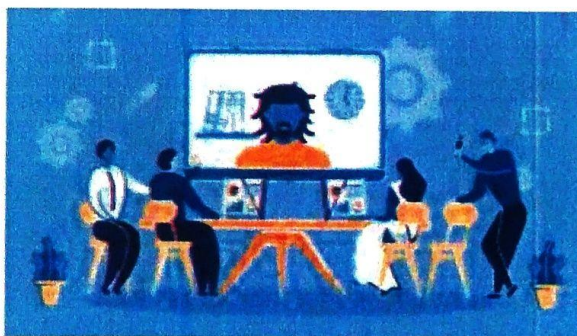

Moodle is a learning platform designed to provide educators, administrators and learners with a **single robust, secure and integrated system** to create personalized learning environments.

Course Objectives:

- To create personalized learning environment with using Moodle as a learning platform designed to provide educators, administrators and learners with a single robust, secure and integrated system.
- To learn how to use the administration functionalities in order to configure and manage the Moodle platform autonomously and efficiently.
- To understand Moodle's key concepts and their practical use.
- To learn and upgrade content integration on Moodle: operational principles.
- To enhance the participation of students in e-learning.

Course Outcomes:

1. Moodle, the most widely used and advanced learning management system in the world, can help solve a number of the typical learning challenges institutions face while creating sustainable learning programs that will ultimately improve learning outcomes.

2. Using Moodle, teachers significantly impact the student motivation to use the e-learning portal, which influence their perceived learning effectiveness and subsequent academic performance.

About Speaker:

Satish V. Bhalshankar

Assistant Professor, University Department of Management Science, Dr. Babasaheb Ambedkar Marathwada University, Aurangabad, MS - 431004

Contact No. · 9404011793

Email Address · sbhalshankar.mgmtsci@bamu.ac.in,

Assistant Professor, Department of Management Science, Dr. Babasaheb Ambedkar Marathwada University, Aurangabad MS

Education:

Pursuing Ph.D. in Computer Engineering

- Dr. Babasaheb Ambedkar Marathwada University, Aurangabad MS.
- **Topic:** Application of NLP in Marathi Speech Recognition for Wearable
- Device: Design and Optimization

Master of Engineering in Computer Sci & Engineering,

- Government Engineering College, Aurangabad MS.
- Passed with Distinction by securing **8.6 CGPA** in the year **Aug 2015**.

MOODLE Expert:

- Having 6+ Years of Hands on Experience.
- Conducted 400+ Webinars and trained 25000+ Teachers on MOODLE.

Publications: International 5 & National 2

Sponsored Projects Completed:

- **“Open-Source Technology Laboratory”**, Sponsored by **“All India Council for Technical Education, India”**, Principal Co-ordinator, completed in 2013 Fund received **Rs. 5, 70, 000/-**
- **“The importance of search engine rankings for E-commerce and Digital Marketing”**, Sponsored by Dr. Babasaheb Ambedkar Marathwada University, Aurangabad, (Mar 2017 – Mar 2018) Fund sanctioned **Rs. 1, 50, 000/-**
- **“Implementation of Python based NLP library for Marathi Language”**, Sponsored by Dr. Babasaheb Ambedkar Marathwada University, Aurangabad, (Jan 2019 – Mar 2020) Fund sanctioned **Rs. 70, 000/-**

Honorary Positions:

- Visiting Faculty at Maharashtra Entrepreneurship Development Centre (MCED), Aurangabad since 2014.

Certifications:

- Redhat Certified System Administrator (RHCSA) in the Year 2020
- Redhat Certified Engineer (RHCE) in the Year 2011
- Redhat Certified System Administrator (RHCSA) in the Year 2011

Honors and Awards:

- Awarded as a **“Best Employee of the Year”**, in the year 2017 by the Dr. Babasaheb Ambedkar Marathwada University, Aurangabad.

Online Workshop on

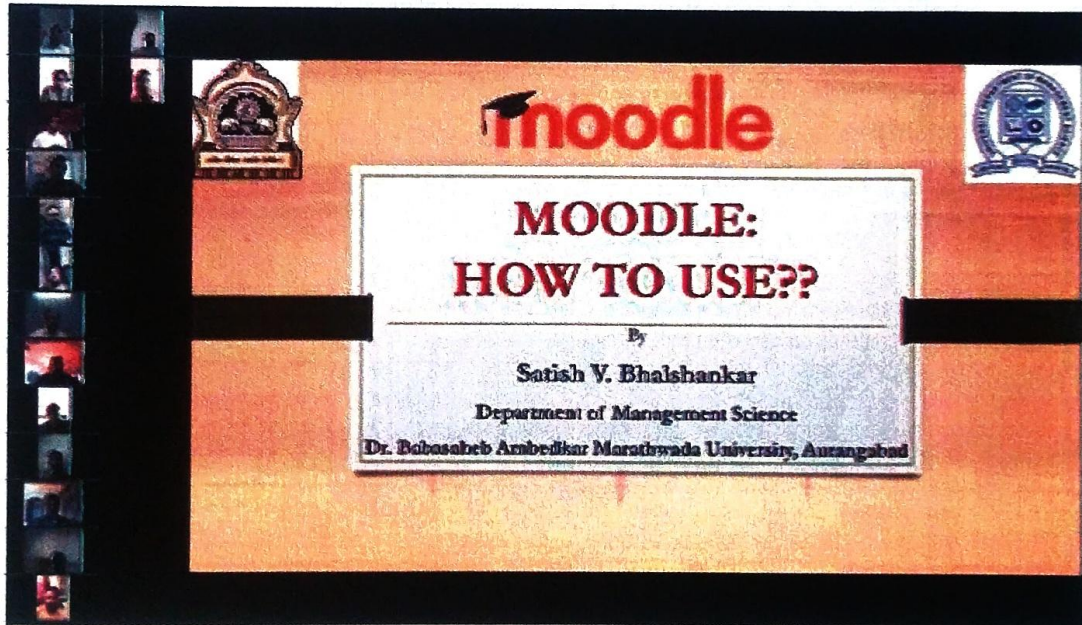

Learning Management System (LMS) Based on Moodle: To Enhance Students Learning Activities

In order to make the students and teachers aware of the online learning and teaching method, on behalf of **IQAC of our Jawahar College**, an **online workshop on Learning Management System Based on MOODLE to Enhance Students Learning Activities** was organized on **May 21, 2020** to speed up the process of education during the **lockdown period**.

Formal opening of this online workshop and welcome of all participating students, teachers and parents was made by Principal Dr. Umakant Chanshetti.

The Convener of this online workshop Prof. Dr. Ankush Kadam introduced the guests while IQAC Coordinator Prof. Dr. Vishwas Mane explained the role behind conducting this online workshop in the introduction.

After this Prof. Satish Bhalshankar started his presentation.
