MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding (MOU) is made and entered into on this the
day of 20.

BETWEEN

The **Jawahar Arts, Science and Commerce College, Anadur, Tehsil Tuljapur, District Osmanabad - 413603** herein after call as JASCA, represented by the Principal, Jawahar Arts, Science and Commerce College, Anadur.

AND

The **Osmanabadi Goat Farming and Training Center, Aliabad (OGFTCA)**, a statutory body created by an act of Parliament namely The Societies Registration Act, 1860 functioning autonomously as a 'Non-Government Organization' at Kaldev Limbala c/o sub center at Aliyabad (Naldurg), Registration No- 141/182/93 Osmanabad.

(Unless otherwise the context or meaning implies otherwise, herein after 'Institution' shall mean JASCA or OGFTCO, and both jointly referred to as 'Institutions')

Whereas, the **Jawahar Arts, Science and Commerce College, Anadur (JASCA)** is a NAAC B++, Educational Institute nestled in Anadur, Tehsil Tuljapur, State Maharashtra-413603. Since inception, in 1991, JASCA has been on an epic journey towards catering to the needs of our valued students. This college, being located in Marathwada region of Maharashtra state has rich cultural heritage and patronage of forward reformers. Carrying ahead the legacy, Jawahar Arts, Science and Commerce College, Anadur has stepped social with excellence in higher education and social commitment. Over the years, the college has figured out its action plan to deliver the best in "Teaching, Learning and Research". Moving

ahead with the same spirit, it has defined the strategies to focus on state-of-the-art technologies. Keeping the agenda, in line with creation and dissemination of knowledge, this college has concentrated on progress of students through well defined curricular and welfare programmes. Jawahar Arts, Science and Commerce College, Anadur has always looked upon the value creation to synergize our students to accomplish their goals. The journey so far, has set up several milestones that inspire the academic community to take upon ambitious programmes and projects in larger interests of society and mankind. The College has nearly 660 students, learning on the campus through various faculties. The College is keen to establish State, National and International collaboration with governing bodies, premier institutes, universities and business houses to create and ensure the opportunities of horizontal and vertical progress in academics, research and industries for the students. It is well taken by the researchers and academicians functioning on and off the campus. Now the College is trying its best to create interdisciplinary and incubation activities as a routine practice with great pace.

Jawahar Arts, Science and Commerce College, Anadur has achieved a name to reckon within the academic fraternity by giving a strong impetus to create an environment of knowledge application and holistically inspiring students to become eminent personalities of tomorrow. We are supporting our students to realize their potential and get into the fresh opportunities. The College is engaged in taking up innovations in academics and research and look ahead to explore the world of science and technology with inventions and updates.

Our commitment to quality and dedication to generate ideas, lead us towards outreach activities like well being of society, education, training and awareness programmes, creation and dissemination of specialized knowledge and advanced research. During the last few years, we have welcomed change and challenges simultaneously. In this fast-paced world, technological change is a constant element. Rather, it may be considered as an active mean to reach out to internationalization of higher education. Likewise, challenges also have never been obstacles for us but a key to open new opportunities and to stay responsive and innovative.

Considering rural population of the area, the College would also offering some skill based certificate courses in goat farming, marketing and its value-added products for the benefits of Students, Entrepreneurs and Farming community to enhance entrepreneurial capacity. The College aims to initiate collaborations at state, national and international level to promote collaborative work in cutting edge science and technology fields.

Whereas, **Osmanabadi Goat Farming and Training Center, Aliabad (OGFTCA)**, mainly aims to execute and promote entirely goat rearing and development based planning and its allied activities, and also to provide developmental support for promotion of goat farming activities in the Osmanabad District.

The work areas of **Osmanabadi Goat Farming and Training Center, Aliabad (OGFTCA)**, includes:

- i) Development of goat farming activities in and around Omanabad district.
- ii) Training of farmers, landless labours and emerging youths in goat farming and allied activities.
- iii) Implementation of various government schemes related to animal husbandary especially the goat farming with farmers and other stakeholders for the empowerment of rural areas and to help them develop allied sources of income.
- iv) Creating enterpreneurial opportunities related to the markets and supply chains of goat meat and its other byproducts.
- v) To see all money transactions are conducted in accordance with the rules in force.
- vi) To ascertain that the concerned employees and other member of the controlling staff are conversant with their duties, that discipline is maintained and the concerning works are properly supervised.
- vii) Successful implementation of the Plan Schemes within their work area.

Both the institutions are empowered by their bylaws to enter into cooperative agreements of this nature with other institutions, with regard to the subjects related to the achievement of its goals and objectives as stated by their bylaws, in order to further contribute to the achievement of such goals and objects.

Modalities of this activity shall be as follows:

The Jawahar Arts, Science and Commerce College, Anadur and **Osmanabadi Goat Farming and Training Center, Aliyabad (OGFTCA)** (individually as institution and together the "insitutions") desiring to develop cooperation and collaboration in the fields of entrepreneurship development, conservation, study, academic and research areas, agrees as follows:

- a) Regional survey and conservation of goat and other domestacitive animals.
- b) Celebration of Annual Dairy Goat Awareness Week.
- c) Study of different types of species of goats and their responses to variety of foodstuffs in accordance to the local climate reseliance focusing maximum productivity.

- d) Development of suitable and affordable goat production technology packages applicable in the rural areas and exchange of technical know-how. The thrust areas of intervention through collaborative R&D projects could be development and training of new methodologies related to the subject of concern.
- e) Development of clusters in the traditional pasture areas and grazing communities through adoption of village and support to accelerate the technology dissemination process under the developmental programmes related to animal husbandary and production.
- f) Student Exposure Programme for short term intensive training/field visit/exposure etc. and dissertation/project work of the B.Sc. third year students for a duration upto 6 months. Boarding/stay facilities at concessional rates to be arranged at respective institutes.
- g) Designing curriculum to attract students to the area of goat farming management and byproducts development.
- h) To develop technological feed with great application potential, especially involving nanotechnology.
- i) Most importantly, training, skill development of rural students in goat farming and empowering them with novel enterprenueral methodologies.

Each organization will designate a co-ordinator under this MoU. The coordinators will exchange / meet as may be necessary to ensure appropriate cooperation under this MoU.

The coordinators by the Insitutions are:

For JASCA : Head, Department of Zoology,
Jawahar Arts, Science and Commerce College, Anadur.

For OGFTCA : Gundu Pawar, President '**Osmanabadi Goat Farming and Training Center, Aliabad (Naldurg)**'

1. The execution of this MoU is subject to the availability of funds depending upon public funding and intramutual funding for both organizations, as well as to any legal provision in force governing the activities of the organizations. This MoU, therefore, does not constitute in any way a commitment of resources in the future or any future economic obligation.
2. The organizations, if they so agree upon, may allow the participation of other public or private insitutions whose activities directly impact the areas of collaboration, with the aim

to strengthen and expand the mechanisms that support an effective implementation of this MoU. With prior approval of appropriate authority from time to time.

3. The agreement could have a common IP management plan agreeable to both the institutions. Any patent arising out of the work proposed to be carried out under this MoU will be owned jointly by both the institutions.
4. During the tenure of this MoU, JASCA and **OGFTCA**, on behalf of its employees agree to maintain strict confidentiality of sensitive information and will not disclose the same to any third party. Disclosure thereof for any purpose other than in accordance with this MoU shall be a breach of this agreement.
5. The duration of this MoU shall be for a period of 5 years from the date of last signing which may be extended on mutual consent. The institutions/parties agree to review this MoU after 5 years from the date thereof. This MoU may be terminated at any time by either of the Parties/Institutions by giving 6 months written notice, but without dishonouring any commitment entered into the prior to the date of termination once and no party shall leave its commitment unfinished which may result in tangible losses of the other party.
6. It is recognized that the implementation of this document will in every case, be dependent upon the availability of necessary resources, either from within the institutions concerned or from external sources.
7. This MoU is not intended to create legal or binding obligations on either institution. Any activity undertaken in furtherance of the objectives of this MoU will be incorporated into a formal separate agreement or agreements in good faith signed by the Institutions respective signing officers.
8. Settlement of Dispute :-
Any difference and dispute between parties concerning the interpretation and implementation shall be settled amicably, through mutual understanding.

Report of
MOU – Osmanabadi Goat Farming and Rearing
Center, Osmanabad
Academic Year- 20 -

Submitted to

The Principal,
Jawahar Arts, Science and Commerce College,
Anadur. Dist. Osmanabad.

Respected Sir,

As per the directions of the Principal, Jawahar Arts, Science and Commerce College, Anadur and resolution in the Departmental meeting held on / /20 . The Department of Zoology conducted a one day entrepreneurship development workshop for the under-graduate students of B. Sc. III Year Zoology of Jawahar Arts, Science and Commerce College, Anadur. The workshop was entitled as "*Rural Youth Empowerment with Osmanbadi Goat Farming and Rearing Techniques*".

The Principal objectives of the courses were as follows:

- ➔ *To inculcate importance of Osmanabadi goats in relation with entrepreneurship development*
- ➔ *To teach techniques related to Farming and Rearing of Osmanabadi Goats*
- ➔ *To familiarize and create interest in rural girls and women regarding opportunities in Soap making industry from goat milk with focus on women empowerment in rural areas.*
- ➔ *Increasing the employment opportunity in rural sector and thus enhancing the allied income of the farmers especially the rural women.*

The workshop was held on the date of / /20 . Total 50 Students were enrolled and attended the workshop. Students were motivated to adapt goats and learn skills of making goat milk soaps as well as excellent marketable quality of organic fertilizers from goat excreta.
