### General matters:

It is understood that activities contemplated under this MOU are expected to be cooperative in nature and that Participating Researchers (including students and faculty researchers) may collaborate in such research activities.

### Purpose:

The primary purpose of this agreement is to provide a general basis within which specific cooperative activities of an academic and research nature may be implemented involving faculty and/or students from both the sides. Faculty and researchers in various disciplines will be encouraged to develop contacts and propose collaborative projects. Each project proposal will be considered on its merits and on availability of funds. The two institutions will seek internal and external resources in order to accomplish the projects.

### Duration and Termination policy:

This MOU shall remain in force for a period of five (5) years from the date of the last signature, with the understanding that it may be terminated by either institution by providing sixty (60) days' advance written notice to the other.
