2. Granthalaya Darshan - User Education programme:

Every year, our college hosts a user education event for newly enrolled students. The librarian gives a brief overview of the library, including where it is located, how many sections it has, how it operates, how the library committee is made up, what types of library services and best practices are followed, and what the book purchasing policy is and how it is organized in the library.

विद्यार्थ्यांना ग्रंथालयाची माहिती देत असताना प्रा. शाईवाले एस. बी.

3. Library Tour:

Our college arranges every year a library tour for students. The library is a complex organization with a lot to offer students, researchers and staff through its services, facilities and staff expertise. Participating in a tour of the library will give you a better idea of support available that can greatly benefit your study and research during your time at college primases.

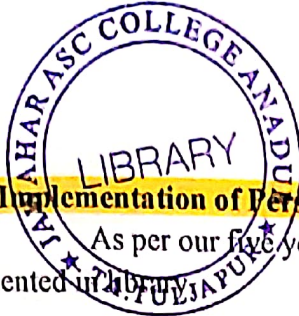

Department of library arranged library tour to visit Central University, Karnataka Library on 06th January, 2020.

4. MoU Linkages:

Our college formed a MoU with Shivlal Ramchandra Vachanallya, Madha. This Memorandum of Understanding (MOU) sets for the terms and understanding among the Library Department of Arts, Science & Commerce College, Andur Tq. Tuljapur Dist. Osmanabad and the Shivlal Ramchandra Vachanallya, Madha.

Our institution is belonging to rural, remote area of Maharashtra so number of students of this college is from poor family background. So, they may have lack of proper guidance and

5. Implementation of Perspective Plan:

As per our five year (2018-2022) prospective plan following activities are implemented in library.

Year	Perspective Plan	Implementation
2017-18	1. Library Building	Due to financial problems, we are unable to work on library building.
	2. Library Networking & Internet facility.	In our college all our departments are interconnected with a LAN networking and Library computer as a Server computer.
2018-19	3. Increase the number of books in the library for competitive exam.	We have enhanced the number of books on competitive exams in our library. The library has a total of 2128 books.
	4. To establish carrier academy	Our library is committed to supporting the Carrier Academy, which will be held at the institution in 2019-20. It provides students with a curriculum, books, and exam papers, as well as database administration support.
2019-20	5. Digital Consortium.	The Institute has subscribed N-List digital consortium developed by INFLIBNET Centre, Ahmedabad since from the academic year 2018-19.
	6. Library promotion through library website.	Since 2019-20, we have built our own college library website for the marketing of libraries. www.jawaharcollege.wixsite.com/library
2020-21	7. User Education	Every academic year, the Librarian organized a Granthalaya Darshan programme for freshly enrolled students. Users learn about library employees, library functions and services, the library committee, and library best practices through this programme.
	8. Building College Database	Many of the preset formats, such as Admission form, Library membership form, Bonafide, degree form, T.C. application form, no-dues form, and so on, are necessary in day-to-day college activities. The library will house all of these items under one roof. As a result, the institute plans to establish a database like this.
2021-22	9. Building Institutional Repository	Data collection from faculty members for building an Institutional repository is in progress.
2022-23	10. May I help you – Library Service.	Nowadays, May I help you is new form of reference service which is also a best practice from library. The institute is planned to create a what's Up group for the implementation of the service.
