Vision

Holistic development of rural student.

Motto, Aims, Objects, Mission & Goals : Shikshan Prasarak Mandal, Anadur

The Motto

“दुःखितांचे तिमिर जावो” - Let the darkness and poverty be drifted away from society.

Aims and Objects :

- * To impart primary, secondary, collegiate, commercial and industrial education.
- * To establish and maintain boarding and lodging houses for pupils.
- * To encourage sports culture among the younger generation by making necessary provisions.
- * To relieve distress of poor and indigent pupils by giving them monetary help or otherwise according to the means that may be available or are at the disposal of the Mandal.
- * To pay the costs, charge and expenses - preliminary and incidental to the formation promotion, establishment and registration of the Mandal.

Mission :

- * To provide educational facilities to the students from rural area.

Goals :

- * To develop the indigenous qualities of the students, giving opportunity through academic activities.
- * To make disciplined students.
- * To create good citizens.
- * To provide the facilities of modern technology.
- * To provide hostel accommodations to the socially and economically backward students.
- * To make students healthy through sport activities.

Message By Secretary

“दुरितांचे तिमिर जावो”

“**Durintache Tmir Jao**” This is the excerpt from the “**Psaydan**” of Saint Dnyaneshwar Mauli. Dnyaneshwar Maharaj says, remove darkness in the lives of the oppressed, deprived and under-privileged people. Respect their lives. If there is a need to eradicate the darkness of their life, if we want to bring a light in their life, then it can bring only through the light of knowledge & education. It is necessary to make such opportunities available to the students of this class.

It is our duty to cater quality education and foster them to be a part stream, in this determination, on 15th June 1959, '**Shikshan Prasarak Mandal, Anandur**' was established on 15th June 1959 to provide the quality education and knowledge-based light to reach the slum.

Education was not available in the area before 1959. In the pre-Independence era, this region was ruled by the Nizam of Hyderabad. There was no education facility. There was Urdu medium school at Naldurg. My primary education was inaugurated at Naldurg in Urdu medium. After independence, Marathi medium schools were started. For secondary education, I had to go to Tuljapur. In Tuljapur there was not the facility of Boarding, that's why it is necessary to go to school by cooking myself. In this way, matriculation in 1952 was completed. For college education, I got admission in Dayanand College, Solapur. In 1956 I completed my B. Sc. Soon after, there was an interview in Hyderabad for

appointment as a teacher in the education department of the district council.

My selection was made in this interview and selected as a primary teacher and was appointed at village Padli. Being a graduate, I was transferred to a secondary school of Majalgaon as a secondary teacher. I worked here for one year. Then again I transferred and for two more years I have been serving at school of Renapur.

During this I learned so many things, I acquired the knowledge, I got an opportunity to render my services as well as to develop my personality. But many of my friends who have had a basic education with me do not even learn, despite their desire to learn. They did not get the opportunity. , Those eligible and desirous friends had to be deprived of education; the painful thing of this remained in my heart during this period. I became restless and start to think on this issue.

During this time I collect and gained the lot of good experience, good students were able to prepare. In the work of this place, I thought that in the year 1959, the '**Shikshan Prasarak Mandal**' was established and the school was started by discussing with the leaders of the village Anadur that I should go to our village and run an organization instead of doing job with wondering one to other village.. I resigned from government jobs and started working as a teacher in this school from June 1959.

Message By Secretary

The **Jawahar Vidyalay** a secondary school of this institute. In 1961, the first matriculation batch was seen. Since then, the school's results are good. Many students today are proving their achievements in various fields by taking education from this school. Many students of this school take a prime position in the Merit list of the S. S. C. Board.

In the year 1994, Sachin Haralkar stood first in the whole state of Maharashtra during his S.S.C Board Examination. In 1981, Prashant Katikar and in 1989 Ajay Kandale came first from Aurangabad (Marathwada) Division of S.S.C. Board Examination. Dharmanarayana Misale in 1990 and Atul Surawase in 2008 won the first rank among the students of Backward Classes . In 2018, Rishikesh Kanade secures 100% marks and K. Vedanti Dudhbhate achieved the level of 99.60% marks in the S.S.C.Board examination.

There was a facility of up to class XII. But hundreds of students of this area were forced to go to college either at Solapur, Naldurg, Tuljapur or Umarga for college education. Girls are deprived of higher education because their parents are not ready to send girls for long higher education. Hence, by introducing Mahatma Gandhi's birth anniversary, on October 2, 1991, "**Jawahar Arts, Science and Commerce College**" has arranged for higher education at Anadur. It is possible due to this college that poor, needy and budding children of the area are able to get higher education.

In the past 27 years to till now, thousands of students are working in various

fields by acquiring a degree from this **Jawahar College**. Some of them students work abroad. I am very satisfied and proud of it.

Our highly well qualified Professors always attentive and take efforts for the overall development of rural students by imparting innovative teaching, by proper counselling and disseminating knowledge to inculcate moral values among them.

Various professional training is imparted to develop skill enhancement among the students, to be self-reliant. Preparation of competitive examinations, introduction of new technology is made in this college.

While giving special importance to the empowerment of girls, fashion design, cosmetics- Buety Therapy, Food and Fruit processing industries etc. efforts are being made to make them self-sufficient and competent with add on training simultaneously during their formal education.

"**Duritanche Timir Jao**", this is the result of the determination that I made in 60 years ago. Whenever the alumni co me to meet, the mind is filled with the satisfaction of their face. I please. Is blessed

Our organization is completing 60 years in June 2019. In this year, I appeal to all the alumni, parents, retired teachers, employees, Students, well-wishers and all the constituents of the society, so that we will all come together to increase the reputation of the Institute.

- **S. N. Alure Guruji, (Ex. MLA)**
Founder Secretary

Dear Parents / Students,

Welcome to Jawahar Arts, Science & Commerce College, situated at a holy and historic place village Anadur located on Pune – Hyderabad N.H. no. 65 It is a matter of great pride and honor to lead Shikshan Prasarak Mandal's Jawahar Arts, Science & Commerce College, Anadur, Dist. Osmanabad at this historic, juncture, into the 60th Anniversary year of Shikshan Prasarak Mandal, Anadur beginning from 15th June 2019.

The parent body, Shikshan Prasarak Mandal Anadur was established by the great visionary teacher and versatile personality, Ex. MLA Hon. S.N. Alure Guruji in 1959 with the aim of 'Duritanche Timir Javo' i.e. Eradication of darkness from the lives of poor people through lighten rays of education. He always endeavours to provide quality education in vernacular language to all poor and needy peoples. From a modest beginning SPM has blossomed into a centre of excellence, on the academic map of Maharashtra.

This Shikshan Prasarak Mandal, Anadur was the first educational institution in the vicinity of village Anadur to be run by a private body and is now one of 20 institutions and 7 hostels under its umbrella.

There was no facility of higher education at Anadur till 1991. To cater the need of higher education for poor & needy students Hon. S.N. Alure Guruji has decided to start college and established Jawahar A.S.C. College on 2nd Oct. 1991, which is the birth anniversary of Mahatma Gandhi, as Guruji is a follower of Gandhian Philosophy.

Now this Jawahar College is in its 28th year of encouraging innovation in education. The college has successfully completed two cycles of NAAC receiving the CGPA score 2.81 with 'B⁺⁺' grade.

The college is located on the NH-65 (Pune-Hyderabad) with a spacious and natural 17 acre campus. It is comprises of spacious building, a sprawling sports ground and other academic infrastructure which is manned by efficient staff. This meaningfully supports the quality of undergraduate programs which are offered in the three main faculties of Arts, Science and Commerce.

As a part of our efforts to enhance the skill development of our students, keeping this in mind the Jawahar College has envisioned the introduction of skill development courses that would prepare our students for the

Principal's Message

demands of job market and enhance their employment prospects. From this academic year 2019-20 College has plan to start skill based Certificate Programs in spoken / communication English, Yoga, Naturopathy & Ayurveda, Tally & Accounting, Mass communication & Journalism under the Add on Certificate Courses.

Complementary to such exercise in Skill Enhancement and Empowerment of girl students & women, Jawahar College has planned to establish the Women Empowerment Cell by the name great women social worker of this area Late. Shantakaki Alure. Under this cell college has plan to start Short Term Certificate courses specially for women in Fashion Designing, Beauty Therapy and Food Processing, which explore viable business ideas, ventures at an early stage and understand market related practices, the college actively cultivates an entrepreneurial culture. This effort supports them to become a self-reliant.

We also endeavour to enhance the competitive skills among the students, College has plan to start Competitive Examination Cell through which along with their formal education students could be trained to face & crack the MPSC, UPSC and other services examinations.

The responsibility of formal academics

is very ably carried out by a highly qualified staff and is beautifully complemented by the varied co-curricular and extracurricular activities that help to historic development of our students.

The presence of Shikshan Prasarak Mandal's Jawahar Alumni in different parts of the country and globe, occupying well positions in government, corporate, Academics, sports, culture is a testimony to the versatile sensitive human resource that the institution has helped to cultivate.

As we move close to the 60th year anniversary schedule of the institute (SPM), I invite all the stake holders – students, teaching & non-teaching staff, parents, retired teachers, alumni, well-wishers and everyone in the society at large to join us in making of our celebration a memorable one.

Your association and suggestions during this academic year are most welcome.

Let us work together will all the enthusiasm and gusto (Josh) and take our college to greater heights.

Thanking you.

Dr. Mrs. M.B. Jadhav
Associate Dean Admission

New Admissions, for B. A. / B. Sc. / B. Com. first year

Time of Admission: 9.30 to 4.00 p.m.

Date of Admission - June 15 - 30, 2019 for the following courses.

Sr. NO.	Class	Convener	Co-Convener	Venue
1.	B.A.I	Dr. S. A. Sangale	Dr. M.T. Musande	Hall No.8 Geography Department
2.	B.Sc. I	Dr. G.T. Rathod	Dr.A.M.Pachpinde	Hall No. 17 Zoology Dept.
3.	B.Com. I	Dr. D. D. Kadam	Dr. V.W. Wahule	Hall No. 10 Commerce Department
4.	B.A. II	Dr. S.S. Rajput	Dr. S.S. Raut	Hall No. 4
5.	B.Sc. II	Dr. A.B. Kadam	Dr. D.N. Gatlewar	Hall No.12 Chemistry Department
6.	B.Com. II	Dr. H. B. Jogdankar	Dr. S.K. Kulkarni	Hall No. 11 Commerce Department
7.	B.A.III	Dr. R.S. Nalage	Dr. D.S. Kamble	Hall No. 5
8.	B.Sc.III	Dr. S. V. Rajmane	Dr. S.S. Baad	Hall No. 15 Physics Dept.
9.	B.Com.III	Dr. S.G. Birajdar	Dr. R.V. Varshetti	Hall No. 11 Commerce Department

Counselors & Conveners for Add on courses :

Sr. No	Add – on course	Convener	Venue
1.	Functional Communicative English	Dr. Ms. Anita Mudkanna	Hall No. 14 Physics Department
2.	Fashion Designing	Dr. Ms. Meena Jadhav	Hall No. 14 Physics Department
3.	Cosmetology & Beauty care	Dr. Ms. Manasi Swami	Hall No. 14 Physics Department
4.	Food Processing	Ms. Madhuri Gadsing	Hall No. 14 Physics Department
5.	Mass Communication & Journalism	Dr. M. B. Birajdar	Hall No. 18 Seminar Hall
6.	Fertilizer, Soil & Water	Dr. D.S. Suryawanshi	Hall No. 16 Botany Department
7.	Manufacture of Toilet & Bathroom Cleaners	Dr. V. G. Mane	Hall No. 13 Chemistry Department
8.	Yoga, Ayurveda & Naturopathy	Mrs. S. R. Bharti	Hall No. 18 Seminar Hall
9.	Tally & GST	Dr. S.G. Birajdar	Hall No. 11 Commerce Department
10.	Book Binding	S. B. Shaiwale	Hall No. 02 Library

Examinations :

□ Mid-Semester Exam: Semester I, III & V

One Theory Paper in each subject.

Tentative date: - last week of September.

Duration for Theory: 1 hour 30 minutes. Marks: 50 marks &

Duration for Practical: 3 hours. Marks: 100 marks.

• Internal Evaluation/Assessment:

Apart from mid & semester examination each department will be followed internal evaluation/assessment by conducting various tools like Unit Test, Open Book Test; Surprise test, Group Discussion, Quiz, Seminars etc.

• University Examinations : -

Conducted by Dr. Babasaheb Ambedkar Marathawada University, Aurangabad

Tentative Dates

- Semester I, III & V will be in October Second week.
- Semester II, IV & VI will be in March Second week.
- Practical Examination for B.Sc. students will be in first week of March.

Project submission & viva voice for B.A. first week of March.

Departments **Botany**

The Department of Botany at Jawahar College was established in 1991 and is dedicated to teaching and research in all fields of plant biology. The course includes of plant diversity and ecology, physiology, economic importance and also cell and molecular biology, genetics, biochemistry, biotechnology and bioinformatics. The department comprises of faculty with diverse specializations, well-equipped laboratories with museum, which hosts plant specimens. The course structure is well-designed, which facilitates students to pursue post graduate studies in Botany, Biosciences, Molecular Biology, Biomedical Sciences, Biotechnology, Genetics, Environmental Sciences, Bioinformatics, etc. Field trips and excursions are organised by the department to enables students to have first-hand experience of flora and fauna in their natural habitat. Industrial visits are also organised for students as a part of their curricular activities. Over the years, the department has maintained high academic standards an also produced a number of dedicated teachers, scientists and many others who excelled in various fields.

Chemistry

**Faculty: 1) Dr. Mallinath Langade (Head) 2) Dr. Dhanjay Gatalewar
3) Dr. Vishwas Mane 4) Dr. Amol Pachpinde**

Chemistry course at the Dr. Babasaheb Ambedkar Marathwada University breaks the chain of ignorance of students with a state of the art understanding of broad ranging chemical principles and enables them to experience the joy of studying Chemistry. The course can help them in pursuing post graduate studies in Chemistry, Biochemistry, Drug Chemistry, Polymer Chemistry, Analytical Chemistry and Forensic Sciences etc., in India including IIT, IISER, IISc and abroad. Career opportunities for chemists are endless and range from positions in Chemical, Pharmaceutical, Agrochemical, Petrochemical, Polymer, Plastics and Textile industries, Scientific Research organisations, schools (with B.Ed.), colleges, higher educational institutions (with Ph.D.) and also lead to employment in higher management (with M.B.A.) or in the patent field (with law degree). With gaining the knowledge about different aspects of Chemistry throughout the degree course, students also establish the self-Chemical industry and could become a successful entrepreneur and can create employability for others.

The Department of Chemistry believes in holistic education and looking beyond the curriculum. A chain of events and trainings are organised throughout the year by the Chemical Society "*Rasgandhayan*" to give the students deeper insight and exposure to novel work done by eminent researchers and to enlighten them on the scientific events, industrial visits, In-Plant training etc. taking place around the globe through such events. Various competitions were organised to inculcate scientific temper among the students. The department also conduct the vocational training activity based on day today needs of Chemistry.

After completion of B.Sc. degree most of the students are placed and employed in various industries, some are pursued for M.Sc. course. Some of our alumni are engaged in Research & Development activity by qualifying JRF/ GATE Exam. Alumni Dr. Rahul Kavathe is working as a Research Associate in Japan and Dr. Vishwas Mane is working as a faculty member in the Chemistry Department.

Commerce

Faculty: 1) Dr. Sahdev Birajdar (Head) 2) Dr. Dhanraj Kadam
3) Dr. Hridas Jogdankar

Commerce education is an education of management and financing. **Basically, commerce education teaches how to do management and how to collect finance and grow it.**

According to Paul S. Lomax, *“Commercial education is fundamentally a program of economic education that has to do with the acquirement, conservation, and spending of wealth”*.

The **commerce stream after completion of Class 10** is quite a popular choice in India, as most students feel that the stream **offers them a wide arena of career options** to pursue after class 12, that would bring them both success as well as financial security easily. However, what most students do not realize is that just as is the case with the science stream, a student also needs to have a certain aptitude for commerce to be completely successful in it.

Some students may choose the Commerce stream for this reason. However, it is a fact that if they have a mind that is more suited to a career in the Humanities stream, or even the Science stream, they would find it hard to survive and perform well in Commerce.

Commerce as a stream of education can be defined as a study of trade and business activities such as the exchange of goods and services from producer to final consumer. The main subjects that are taught in the Commerce stream which include Economics, Accountancy and Business Studies. Choose this field if you have a genuine interest in these subjects and have an affinity for numbers, the economy and business!

Objectives of Commerce Education

- To encourage the student to invent and innovate.
- To get ideas about business entities and functions.
- To produce entrepreneurs and industrialists
- To bring international trade closer

The Department of Commerce was started in 1991 and now has strength of nearly 300 students. The B.Com course comprise of various unique subjects like Financial Accounting , Entrepreneurship, Business Economics, Statistics, Business communication and Information Technology (BC&IT), Corporate Accounting, Principles of Business Management. (PBM), Business Regularly Frame Work. (BRFW), Cost Accounting, Marketing Management, Auditing Concepts, Indirect & Direct Tax Law, Banking &

Insurance etc. which empowers students to handle the challenges of Global Business Environment. Besides this, department also plan to runs Add-on Certificate Course (100 Hours) 1) Tally & GST 2) Banking & Financial Services, from this academic year.

The Commerce education also opens further avenues in academic as well as professional fronts. After completion of their three year graduation degree, students can be pursued the courses like M. Com., M.B.A., Chartered Accountant (C.A.), Company secretary (C.S.), Cost Accountant (CMA), Finance Analyst (CFA), Finance Planner, Investment Analyst, Portfolio Manager etc.

In our Department faculties are highly qualified, committed and dynamic faculty

Specialised in various fields of Commerce and catering best knowledge to the students for their all-round development.

Department also have the following societies and activities managed and run by the students under the guidance of the faculty:

- 1) Commerce Association (Membership is mandatory for all Commerce students).
- 2) Entrepreneurship Forum.

Under these association students initiative to organise seminars, invites the intercollege participation in various workshops like Annual National Budget, Entrepreneurship Development, Strategies and Emerging trends in Global Trades, Career Counselling sessions, special guest lectures by eminent speakers and practical exposure and opportunities for their overall development.

The dual impact of academic curricular education coupled with co-curricular activities transforms a young fresh aspirant into a confident, competent and qualified person/ citizen ready to face the Global Economic challenges and walk for challenging professional journey. The Commerce students of our Jawahar College have been placed in various reputed organisations and some of our alumni start their own business.

Economics

Faculty: 1) Dr. Rajshekhar Varshetti (Head) 2) Dr. Sudhakar Sangale

- Economics is a social science that deals with the study of the production, distribution, and consumption of goods and services.
- Economics has two broad branches micro-economics, where the unit of analysis is the individual agent, such as a household or firm, and macro-economics, where the unit of analysis is an economy as a whole.
- Studying economics enables us to learn more about how the world works as it helps in gaining knowledge about the impact that decisions have on firms, industries and nations, the impact of international trade, both good and bad, the effects government policies have on the economy and on employment.
- Economic reasoning and theories have been increasingly applied in the recent era to not only the study of economies but also social situations where there is no monetary consideration, such as politics, law, psychology, history, religion, marriage and family life, and other social interactions.

The course B.A. with subject Economics provides the wide platform to the students with full of opportunities. The Economics graduates are highly demanded in various sectors ranging from academics, management, corporate sector, research, analysis and to bureaucracy.

The department has been teaching Economics papers for B.A. degree course since from 1991.

Economics is considered as an ever green subject due to its high utility and huge demand in the job markets. Economics is a very important discipline for both career and job. Well trained economists are in huge demand not only in India but also across world for rapidly globalizing economic scenario. They are hired as economists' analysts, researchers and consultants.

Economic graduates can go both for public and private sectors Meritorious candidates can get excellent job opportunities after successfully completing their BA or MA in economics. Economics graduates can get prestigious jobs in Government sectors like Indian Economic Services, Indian Civil services Reserve Bank of India, National Sample Survey, Ministry of Economic Affairs, Planning Board, Planning Commission National Council for Applied Economic Research and National Institute of Public Finance and Policy. All of these jobs have wonderful career options. These jobs give you social prestige along with financial stability.

In private Sector, economic graduates can try in the fields like private banks, MNCs, BPOs, KPOs, Business journal, and newspapers. One can work in organizations as economist, economic advisor, executive, analyst, consultant, researcher, financial analyst, business analyst, economic research analyst and stock market analyst.

“ARTHA-MANTRA”, the departmental association, organizes various activities and events spread across the year such as lectures, seminars, career planning and an Annual Anand Nagari Festival, through this activity students installed the stalls of food, funny games, selling the goods and learn the Economics and marketing skills.

English

Faculty: 1) Dr. Anita Mudkanna (Head) 2) Mr. Vivekanand Wahule

3) Dr. Manasi Swami

English is an impactful undergraduate course that takes students through the best in world literatures. Students of English have scope in different Fields. They have to complete Post Graduation in the Subject English, Law, Journalism and serve in schools, colleges Universities, courts .There is way to enter in Media, News Channels and Mass Communication. To work as a translator of various language texts, novels, dramas etc. has a big opportunity for them to make their career. They have also the bright future in Tourism sector. It also helps to set their business at international level. English is a world Language so the students have lot of benefits to present themselves impressively at International level.

Since from 1991, the English department strengthens the liberal education of students by developing a deepened understanding of language and literature. It also promotes literacy among the students specifically the ability to read, write, speak and think critically as well as creatively. The department has the aim to make the students capable to draw independent conclusions.

Students after graduation go on to future studies (B.Ed./M.A./M.Phil./Ph.D.) in literature, and to careers in teaching at school, college and university, in media and mass communication (journalism, film, advertising), publishing (writing, editing, translating), public relations, management and also to lateral fields like social work,

law etc. The sound thinking and writing skills students gain over three years is also a good foundation for competitive examinations including for management studies and civil services.

The English Department faculty of our Jawahar College are resourceful and well-networked, and includes widely-published scholars and writers. The Department teaches English to students of all courses, including those majoring in the Sciences, Commerce and Arts streams.

The English Department has an exciting co-curricular calendar of diverse activities, including seminars, frequent invited lectures and interactions with eminent academicians, creative writers, besides workshops for students with skill-building sessions on themes like creative writing, editing, translation, theatre, cinema etc. The department's co-curricular activities are directed through Jawahar Literary Association which is managed by the students and mentored by the teachers of the department. Our Department Wall Bulletin "*Rise & Shine*" provides independent forum for both creative writing and training in skills such as copy and content editing. A portfolio of such activities designed to encourage student creativity and understanding of their discipline, like quizzes and literary competitions keep the six semesters that students spend with us stimulating.

English Department is going to start Add-on course on, "*Functional Communicative English*". It enable the students to acquire competence, creative and professional writing so that they make quality use of language as an In private Sector, economic graduates can try in the fields like private banks, MNCs, BPOs, KPOs, Business journal, and newspapers. One can work in organizations as economist, economic advisor, executive, analyst, consultant, researcher, financial analyst, business analyst, economic research analyst and stock market analyst.

The Dept. of English has organised to visit the old age home to make the student aware about the social issues. Students have good communication with them and present their views. Some respective members of the old age home have guided to students and shared their views. Dr. Manasi Swami has anchored the program and Dr. Anita Mudkanna has shared her views at the end.

B.A B. Sc. Second year students have presented their views on Anton Checkov's lesson "The Bet". The topic, 'Lifetime Imprisonment is better or Death Penalty' is given for discussion. The students are divided into two groups. Students have actively participated in this classroom Activity.

Geography

Faculty: 1) Dr. Maruti Musande (Head) 2) Dr. Dayanand Kambale

A degree in Geography from Jawahar College opens many new doors in terms of your career choices. This section looks at some of the careers chosen by geographers and gives you some information about what the jobs can involve. Researching your future career is important, as employers are increasingly looking for relevant experience. If you are looking to do further study or research it may also be important to think about selecting your modules early.

If any of the careers here catch your eye, or if you feel you want more information, there are a large number of resources available in the Careers and employability service.

Often directly relating to a geography degree, and working with the world around you, these careers link directly to many of the modules available to you through the Geography department. They build on the skills and knowledge learnt directly from your modules. Many roles in this sector will require the use of mapping or analysis software.

Getting into these careers may rely on having the appropriate skills from the modules you choose, so think about this when choosing subjects throughout your degree.

- Cartographer
- Climate Change Analyst
- Climatologist
- Emergency Management Specialist
- Geomorphologist
- Geospatial analyst
- Meteorologist
- Pollution Analyst
- Soil Conservationist
- Water conservation officer

Hindi

Faculty: 1) Dr. Meena Jadhav (Head) 2) Dr. Mallinath Birajdar

In these times there are whole new world of opportunities available for pursuing Hindi as a career option. If you are a student with an aptitude for Hindi literature and would like to pursue a career as a journalist, critic, writer, researcher, teacher or translator, then this is the course you can opt. This course introduces the students to great works of famous poet, dramatics, novelists and critical theorists from classical to modern times besides the various aspects of print and electronic media. The course content of Hindi has been specifically designed to equip the students with requisite knowledge and skills to excel in the varied areas.

The Hindi Department established in 1991 with well qualified faculty. Research papers of all our faculty members are regularly published in leading and peer reviewed national and international journals every year. Our faculty members are good orator, and frequently invited for public awareness programme. As a part of continuous professional development, the faculty members regularly participate in national and international seminars, conferences, workshops and symposiums. The Department has nurtured a healthy tradition of expression and exchange of new ideas for all round personality development.

Departmental Activities

- Lectures by eminent speakers.
 - Opportunities to interact with authors / poets/ scholars/ media, theatre and film personalities.
 - Seminars and workshops for students on themes like creative writing, translations, critic etc.
 - Inter college and Intra college competitions.
 - Literary Society.
 - Wall bulletin “_____”, provides an opportunity of creative expression to the students.

History

Faculty: 1) Dr. Sunil Rajput (Head) 2) Dr. Fulchand Dudhabhate

A study of History at the undergraduate level familiarises students with the colours of Indian and world History and gives them an understanding of the nature of History as a discipline. The course enables students to pursue a career in education, civil services, research, journalism, law, media, travel and tourism. It also provides an opportunity to pursue specific courses in Archaeology, Numismatics, Epigraphy, Museology, Heritage Management and Archival studies. It will acquaint/ introduce you with the History of India (Ancient, Medieval and Modern) and also of Europe, the East Asia, and the United States of America.

The Department has an extremely specialised faculty. Our final year students during their Project work under the supervision of faculty members have developed local History and focused on the contribution and active participation of local freedom fighters Late. Virbhadrarayya Swami & Late. Shankar Chavhan in the Hyderabad Mukti Sangram.

Since 1991, the Department has conducted the regular lectures of experts, tutorials and tests are supplemented by trips, field visit to places of historical interest and museums.

In collaboration of Political Science Department and NSS, this year the Department organized the “Voter Awareness Rally” during February 1-9, 2019 in 32 villages of Tuljapur and Omerga Tehsil. Through Street Play and Entertainment Skits, artist students appeal to the villagers to cast the vote for Loksabha election.

In addition, the Department plans to start value based Add-On courses in writing skills of “Moddi and *Bramhi Script*” and certificate course in “*Tours and Travels*”.

Departmental Activities:

- Lectures by eminent speakers
- Quiz Competition on History
- Seminars / workshops for student
- Educational trips to historical sites
- Wall bulletin- to develop the History writing skills

Mathematics

Faculty: 1) Mr. Suryakant Aaglave (Head) 2) Ms. Madhuri Gadsing

The Department a three year degree programme B. Sc. with A group, including one of the subjects Mathematics. The faculties are specialised in different areas of pure and applied mathematics. Faculty members are continuously in various activities and their research papers get published in different peer reviewed National and International Journals. To develop their professional competency, the faculty members regularly participate in national and international seminars, conferences, workshops and symposiums and present their research paper.

The Department has been actively involved in organising and participating in interdisciplinary activities. The MATHCLUB of the Department organises seminars, lectures by experts and competitions to nurture our students with knowledge and skills for successful realisation of their goals.

The faculty members are actively participated and engage the classes of Aptitude Maths for competitive exams. Their efforts will markedly benefit for the non-math students of other stream.

Study of Mathematics enhances one's analytical skills and facilitates cracking various competitive examinations.

There is a demand of mathematics students in fields such as statistics, engineering, physical science, computer science, insurance, economics, astronomy, banking and accountancy. There is also a wide scope of mathematics in teaching and research fields. Future avenues after completion their graduation are M.Sc., MBA, MCA, IAS and many more.

Physics

Faculty: 1) Dr. Somshankar Rajmane (Head) 2) Dr. Ankush Kadam

What is the need of physics: - Physics encompasses the study of the universe from the largest galaxies to the smallest subatomic particles. Moreover, it's the basis of many other sciences, including chemistry, oceanography, seismology, and astronomy (and can be applied to biology or medical science). Physics has had an increasingly important impact on the average person's daily life. For example, Physicists played an essential role in the development of The Transistor The basis of all modern electronics, including radio, television, computers, and telecommunications. The Laser and Laser Diodes now used widely in CD players, grocery bar code scanners medical treatment, and telecommunications.

The Digital Computer much of the early development (and some of the most recent) have been motivated by basic research. Fibre Optics Now finding widespread application in high-speed data and voice transmission networks.

Our Physics Department offers the B.Sc. course with one of the subjects Physics for A group, since from 1991. Seminars, workshops, inter-college quiz competitions and lectures by eminent scientists are some of the co-curricular activities of the Department.

Faculty members are continuously in research activities and their research papers get published in different peer reviewed National and International Journals. To develop their professional competency, the faculty members regularly participate in national and international seminars, conferences, workshops and symposiums and present their research paper.

Dr. Ankush Kadam, Associate Professor of the Department has successfully completed Major Research Project funded by UGC. He is recognised guide of Dr. BAMU, Aurangabad for Ph.D., under his guidance four students are honoured by Ph.D. degree.

The Department is well equipped, where students are actively engaged and experiences practical with joy.

The Department organises visits to Physical Sciences laboratories and industries to expose the students'

Political Science

Faculty: 1) Dr. N.S. Somgunde (Head) 2)

The Political Science is one of the most sought subjects among the Social Sciences. The Department of Political Science of our Jawahar College is dedicated to understanding and explaining the various meanings and practices of Politics. The department prepares students not only to be active citizens of the country but also helps them to develop an analytical thinking, so that they can critically engage with the issues concerning the state and its policies.

The main motto of the B.A. course with Political Science is to provide an understanding of political institution, political processes, political behaviour, public policies, comparative politics, International relations and political theory and political thought. The faculty members use innovative pedagogy to teach students. To know the political processes and bureaucratic administration of Panchayat Raj system department conducts frequent visits to Panchayat Raj institutions like Gram Panchayat of nearby villages, Nagar Parishad, Panchayat Samiti, and Zilha Parishad.

The Department organizes group discussions/ lectures/ seminars on the contemporary and relevant themes in Indian and International politics throughout the academic year in collaboration with other social science departments and NGO. With its aim on bringing holistic development and inculcating confidence into student, the department does various co-curricular and extra-curricular activities in which the students play a leading role.

With serious consideration of Government circular by Hon. Election Commissioner of Maharashtra Government, Department has taken initiation for “Awareness of Voters” under “Lokshahi Pandharwada Abhiyan” during January 26, 2019 to February 10, 2019 in collaboration of History and NSS wing of our Jawahar College. Through this, 50 students and teachers are participated in and create awareness about right to vote among the rural mass by street play and skits in 34 villages of Tehsil Tuljapur and Omerga of Osmanabad district. We succeed to convey this message about 50 Thousand people. The results of our efforts will reflect with increase in voting percentage of these villages during Loksabha Elections on April 18, 2019.

This year Department plans to conducts elections among the students to constitute the various academic associations of the college and most of the activities of Jawahar College are after managed by the students, and such practice of direct participation of student will lead to develop the various skills among them. Because of such election procedure students will learn the process of democracy.

In association with Cultural Cell of College Political Science Department has planned to conduct Mock Parliament, due to which students could learn the Parliamentary system in democracy. This allows the students of College to churn out their debate, latent thinking and creativity. It provides them a platform to articulate their views on issues of local and national importance. It provides the student to think and act beyond the classroom teaching.

Sanskrit

Faculty: 1) Mr. Satyendra Raut (Head) 2) Ms. Surekha Bharati

Sanskrit Department of Jawahar College is one of the best departments of Dr. Babasaheb Ambedkar Marathawada University, Aurangabad. It is unique college in district where students could learn Sanskrit. The relevance of studying Sanskrit has increased in recent times and can offer students many avenues of intellectual and professional growth. The knowledge of Sanskrit is useful in many professional areas like media (Sanskrit News reading and other programme based on ancient heritage and culture), management (knowledge of Indian system of management of life), Ayurveda, Yoga, Naturopathy, poetics, music, theatre, history, philosophy of language, linguistic, computer linguistic, animation industry and translation work etc.

Since from 1991, Department offers B.A. Course in Sanskrit as one of the subject.

The Department has organises inter-class competition every year to boost the confidence of students and give them sufficient exposure to develop their overall personality.

Departmental Activities:

- **Sanskrit Pathshala** Through this Department has conducts the speaking class for all, which helps the learners to improve their pronunciation and could easily understand the meanings of Shloks and Shrotra.
- **Sanskrit Dnyanpeeth-** It provides the platform for the students to listen eminent speakers talk, lecture and could participate in seminars, workshops and any activity related to writing, speaking and reading for enrichment of Sanskrit.
- **Sanskrit Sindhu-** It is a wall bulletin of the Department which will be published quarterly by the participation of students. This activity allows the students of the department expose their latent creativity and talent. It helps them to improve their writing, translating and editing skills.
- **Add-On Course** - The Department has planned to start a skill based short term course on Ayurveda, Naturopathy and Yoga. This course will create employability for the learners.

Zoology

Faculty: 1) Dr. Siddheshwar Baad (Head) 2) Dr. Gopichand Rathod

Do you know that male Ostrich (Shahamrug) can roar like a Lion: that Dogs' nose prints are as unique as human fingerprints and can be identify them. Such amazing things of animal kingdom could be known during the study of Zoology.

Zoology is an incredibly comprehensive discipline, strives to understand the behaviour, structure and evolution of animals, using a variety of outlooks, from genes, to molecular and cellular biology, through physiological processes and anatomy, to whole population and ecology of animals, to animal conservation and biodiversity. The subject Zoology proffers understanding and knowledge in its field through the well-designed course work framed by Dr. Babasaheb Ambedkar Marathawada University, Aurangabad and various co-curricular activities organised by Zoology department of our Jawahar College which harmonising each students' academic life.

This course is offered of candidates who are interested in the study of animals. The minimum time required to complete the course is three years are further again divided into six semesters candidates who have completed their higher secondary level of education in science with biology as in of the papers are eligible for the course. After completing the course candidates can either opt for higher studies or they can search for jobs there are numerous higher study option for graduates in B.Sc. Zoology. Graduates in zoology can also find carious job opportunities. They are of high demand in many organizations both in India and abroad. The Zoology subject is introduced keeping in mind rich biodiversity of help student to look at surrounding rich resources BSc III year zoology is very helpful which is fishery science which can generate income to student

The department has highly qualified faculties and excellent teaching facilities along with well-equipped laboratories and museum. By organising wide range of co-curricular activities like “Blood-Checking”, “Medical Examination”, and “Excursion Tour” etc. the Department offers assorted opportunity to promote leadership qualities and management skills, to express multifaceted talents and to unwind from routine academic life.

Graduates can find various jobs in different organizations all around the world. Graduates can apply for job in veterinary firms research projects etc. they can also pursue their caress in teaching profession graduates in this filed can find ample career options in many foreign countries also presently some organization conduct placements conduct placements services in colleges and institutes.

Sociology

Faculty: 1) Mr. Mahesh Kambale 2) Mr. Bapu Barate

What is Sociology?

Sociology is the study of human social relationships and groups. Sociology's subject matter is diverse, ranging from crime to religion, from the family to the state, from the divisions of race and social class to the shared beliefs of a common culture, and from social stability to radical change in whole societies. It also provides an understanding of how and why society functions and the impact of social institutions on individual lives. Sociologists ask how class, gender, race, ethnicity, age and geographic region affect access to scarce resources like wealth, income, power and prestige as they explore the nature and operation of the social institutions.

Scope of Sociology:

The overall objective of sociology is to systematically understand how individuals and groups create, maintain and change social relationships, social structures and institutions over time. There is more awareness about Sociology in the US or UK than in India, the increasing interest among students and good course structure with intensive on-field projects and field-trips offered by Indian universities will gradually increase scope for Sociology in India.

Career Opportunities:

The career opportunities for the sociology degree are limitless. One can expect careers at research institutions, law firms, public health, welfare organisations, private business, international agencies, medical firms, educational institutions, advertising firms, survey and polling organisations, journalism and many more. Students with a bachelor's degree in sociology often secure employment as social researchers, case workers, paralegals, public relations workers, administrators, community organisers, public policy researchers, and data analysts.

Social research informs politicians and policy makers, educators, planners, legislators, administrators, developers, business magnates, managers, social workers, non-governmental organizations, non-profit organizations, and people interested in resolving social issues in general. There is often a great deal of crossover between social research, market research, and other statistical fields.

What are the job roles?

1. Sociologist
2. Office Administrator
3. Community Organiser
4. Professor
5. Lecturer
6. Consultant
7. Counsellor
8. Urban Planner

Departmental Activities

Sports Departments

Physical Director: Dr. Umakant Salgar

Learn about athletics in Jawahar College - what sports are typically offered and their role in the student experience.

Sports are educational in the best sense of that word because they teach the participant and the observer new truths about testing oneself and others, about the enduring values of challenge and response, about teamwork, about discipline and perseverance. Above all, intercollegiate contests — at any level of skill — drive home a fundamental lesson: goals worth achieving will be attained only through effort, hard work and sacrifice, and sometimes even those will not be enough to overcome the obstacles life places in our path.

Sports Trial

To select the sportsman and sportswomen for the intercollegiate sports event during this academic year, the college the sports trials for Boys and Girls will be held in the College Campus as per the following schedule. .

Game	Date	Time

Library

Librarian: Mr. Shailesh Shaiwale

Library has always been described as the heart of the College. It has been called the brain of the academic body, the scholar's workshop etc. Library has become so important that renowned scholars judged the quality of education by the quality of library service in the College.

The higher education is depended upon the libraries for successfully implementation of its academic programmes. The primary aim of the education is to impart specialized and advanced knowledge to the students and enable them to acquire competence and skill in various fields of human activity. It helps them to develop their sound personality.

The main objectives of the college library are

- To provide information sources and services to the students, faculty members and the staff.
- To aid the teachers to be abreast of the latest development in their area of specification.
- To develop the reading habit among the students and sharpen their intellectual curiosity. A country can only develop if the people are educated.

Library Timings :-

• Reading Room	-	8.30 A.M. to 5.00 PM
Circulation	-	10.00 AM to 4.00 PM
Lunch	-	1.00 PM to 1.30 PM

Library Rules:-

1. Identity card is compulsory to all the students enrolled.
2. Every Enrolled student is a member of Library.
3. Two books at a time will be issued to the students.
4. Issued books must be returned on or before the due date.
5. Delay in returning the books within 7 days will make student liable to the fine Rs. 1/- per day.
6. In case of loss of book the price should be recover from the user.
7. Photocopy of any library reading material is available as and when required.

Add-On Courses- Career Oriented Certificate Courses

Building Careers & Building the Nation.

Add cutting edge to your aspirations through value added, skill based professional Add-On courses. Choose from a wide choice as per your aptitude.

From this academic year college has planned to run these following courses.

- | | |
|--------------------------------------|--|
| 1. Functional communicative English | 2. Fashion Designing |
| 3. Cosmetology & Beauty Care | 4. Food Processing |
| 5. Soil, Fertiliser & Water Analysis | 6. Manufacture of Bathroom & Toilet Cleaners |
| 7. Mass Communication & Journalism | 8. Tally & GST |
| 9. Yoga, Ayurveda & Naturopathy | 10. Book Binding |

1. Functional Communicative English :

Convener- Dr. Anita Mudkanna

The course aims at helping the students in improving their communication skills and enabling them to handle various situations that they might face in their careers. Under this course we help the refurbish and upgrade their skills, develop command over the language and as such enhance their overall personality.

2. Fashion designing :

Convener- Dr. Meena Jadhav

The fashion designing industry represents nothing less than a dream career path for young community. Now a day there is a boom in the fashion industry like never before. The demand for good fashion designers is growing day by day. With this view our college has planned to start this Add-on course in Fashion Designing to make the students, women, and unemployed youths competent to do work in this industry.

3. Cosmetology & Beauty Care :

Convener- Dr. Manasi Swami

This course enables the Girl students and house hold women to start their own independent skin and hair care Clinics, Parlor.

After successful completion of this course, the trainees can take up jobs such as those of Parlour or managers, skin & Hair Care Technicians, Weight management experts etc. and there is a great scope for them in fashion industry; both, in India and abroad.

4. Food Processing:

Convener- Ms. Madhuri Gadsing

The processed food category largely covers products such as snacks, sauces, non-alcoholic beverages, pickles and preserves; - This category has become the face of modern trade. Food Services is emerging as a key contributor for the Indian economy, including employment generation, skill development, growth in the allied industries, entrepreneurship, and tourism and creating experiences for the Indian consumer.

When the arrivals of agro products like vegetables and fruits increased, the prices collapsed. In such cases, the farmers throw out the hard-earned vegetables and fruits on the road. If farmers' children know the art of processing of these vegetables and fruits, they would have processed it and sold it to the double-price in the market. So, we're starting this course.

5. Soil & Water Analysis

Convener- Dr. D. S. Suryawanshi

The capacity of agricultural production depends on the health of soil and water. Farmers have to plan fertilizers and crops on their farm with the availability of soil and water components. For this, it is beneficial for every farmer to take his soil and water test every year before cropping. But not every farmer can do this, because there is no facility of testing of soil and water at village level. That's why we are introducing soil and water testing for the purpose of training to farmers' sons.

6. Manufacture of Bathroom & Toilet Cleaners

Convener- Dr. Vishwas Mane

Demand for cleaning materials today is increasing due to increasing urbanization. All ordinary families also feel the need for products like soap, detergents, phenyl, room freshener. These items do not have an expiry date. We can make these items at home. You can save the costs incurred on it. Apart from training it can lead a self-reliant life by launching a small business.

7. Mass Communication & Journalism :

Convener- Dr. Mallinath Birajdar

The field of journalism may be really competitive, but it's also important to society. If you've been bitten by the journalism bug, then you definitely want to do your best so that you can be successful in your field. With a bit of hard work and a great attitude, you can be a good journalist. The scope of journalism has increases enormously. Its requirement in every print media like newspaper/ magazine etc. and electronic and documentary production also require good reporters. The students having this, '**Mass Communication & Journalism**' as Add-on course has good career opportunity in print & electronic media.

8. Tally & GST

Convener- Dr. Sahdev Birajdar

What is Tally? Tally is one of the most popular Accounting Software used in India. Knowledge of Tally is one of the basic requirements for many Accounts jobs.

Tally. ERP 9

- Your one-stop solution from accounting to compliance.
- Complete book keeping that includes accounting, inventory management and payroll
- GST-Compliant invoicing for Regular and Composite Dealers
- Manage and Generate e-Way bills as per your business needs
- File most accurate GSTR-1, GSTR-3B and GSTR-4

9. Ayurveda, Naturopathy & Yoga:

Convener- Ms. Surekha Bharati

Ayurveda & Naturopathy is one of the best alternative sciences which can cure disorder symptoms by using natural elements. The whole concept of Naturopathy in India is to enhance the protective power of human's body with better defensive mechanism in a natural way.

Yoga is a miraculous act which was developed over than 5000 years ago by saints. Saints invented yoga to help human to maintain a perfect balance between their body and mind.

10. Book Binding

Convener- Mr. Shailesh Shaiwale

Bookbinding courses, classes and workshops across the India, teaching the centuries old craft of neatly binding pages into books using a variety of techniques. Learn bookbinding with experienced tutors and learn the methods of folding, cutting, stapling, and gluing for a professional finish.

Advanced learners of book binding may progress onto threading and using a variety of backing materials to cover the books. Would you like to learn how to create and bind your own books? Come and join a course. India has a population of 250 million that goes to school. The young entrepreneur has partnered with publishers, printers, bookbinders and exercise notebook manufacturers to deliver better bound books. For the same we have started this course,

Note :- Only undergraduate students are eligible to opt for this Add-on

- A Student can opt for only one Add-on course in one session/year.
- Student must fill a separate form for Add- on courses.
- Private candidates, unemployed youths, women who passed 10 + 2 are eligible and allowed to opt for Add-on courses.

Student Support Services

1. Academy for Competitive Examinations

Convener: Prof. Vivekanand Wahule

Coordinator: Dr. Rajshekhar Varshetti

Prof. Ms. Madhuri Gadsing

Dr. Umakant Salgar

Dr. Ms. Manasi Swami

Introduction:

The Jawahar College has realized that there is a general lack of awareness and there are a number of misconceptions concerning Civil Services Exam in minds of not only students and their parents but also of teachers and counsellors. To eradicate this misconception and motivate rural students, Jawahar College has started the "Academy for Competitive Examinations". It will function in Collaboration of the Unique Academy, Pune.

Objective:

1. To provide guidance to the students who come from rural background for competitive exams.
2. To develop good administrators.
3. To create awareness among the students for all types of competitive exams.
4. To develop a sense of social and civic responsibility among them.
5. To develop confidence among them and make capable to face emergencies and natural disasters.

6. Acquire leadership qualities and democratic attitude.
7. To incorporate National integration and social harmony.

Activities: Role and Responsibilities:

- To act as a Regional Information Centre on career opportunities through all types of competitive exams.
- To conduct MPSC/UPSC foundation courses and conducts special coaching.
- To organize guest lectures, TV & Radio talks, Seminars, etc, for promotion and growth competitive skills among the students.
- To cater and provide the information of various competitive exams and help them to submit their applications online/ offline.
- Arrange workshops and special lecture series on various contemporary Social, Political, Economic and Environmental issues.
- Arrange group discussions and face to face dialog / interaction with succeed personalities, officers and recently pass out candidates.
- Arrange periodical Test frequently.
- To provide library internet facility for their study.

2. Late. Sou. Shantakaki Alure Women Empowerment Cell:

Introduction :

Late. Sou. Shantakaki Alure was one of the women social reformers of this area. In her capacity she did notable work for empowerment of women as well as society and had founded one woman's organization named, **Pragati Mahila Mandal, Anadur**. In those days she conducts number of events for Women Empowerment. She had started Self Help Group in 1980 and endeavors for economic stability of women. But unfortunately due to her untimely death she couldn't continue her work and couldn't complete her dreams about the Empowerment of Women of this area. Our College has decided to be continued her work through this cell.

Pandit Jawaharlal Nehru once said: *“If you educate a man you educate an individual, however, if you educate a woman you educate a whole family. Women empowered means mother India empowered”*. When women who contribute almost half of the population are empowered it will strengthen the national economy. Education is considered as a milestone for women empowerment because it enables them to respond to the challenges, to confront their traditional role and change their lives.

Women empowerment is a process of enabling women to have access and make productive contributions to their economic independence, political participation and social development. Empowerment enables the individuals to realize their identity and powers in all spheres of life. It consists of greater access to knowledge and resources, greater autonomy in making decisions or free from the shackles imposed on them by custom, belief and practices in the society.

Women's Cell is a community of girl students in Jawahar College, Anadur, women from society, SHG's and the NGO's who share a common purpose to learn, educate and collaborate on ideas that have the power to effect meaningful and positive change while fighting the odds they face. It is an expanding network that brings them together to learn, laugh, and celebrate their authentic self, their unique gifts and their personal power. In view of the increasing number of girl students in the campus, Women Cell makes every effort to ensure that the girls feel free at home.

We strongly believe that women and men have right to live as free and equal human beings and this gender equality should exist in all areas of life. All the activities conducted by the cell are directed towards successful execution of this goal.

Objectives of Women's Cell :

- To enhance the self-esteem and self-confidence among the women.
- To foster decision-making ability in girl students for making informed choices in areas like education, employment and health.
- To enlighten the women/ girl students about their legal rights and to strive towards the empowerment of the women through the promotion of gender amity and programmes concerning women welfare.
- To encourage the girl students to express their grievances/ problems freely and frankly, without any fear of being victimized.
- To develop professional and leadership skill, conduct various awareness programmes, seminars, soft skill development programmes etc.
- To conduct personality development programme.
- To give proper counselling for women / girl students if necessary.
- To create awareness among girl students regarding issues related to Women health.
- To enhance the economic stability and to become a self-reliant conduct training courses like Fashion Designing, Beauty Therapy and Food Processing etc. and also provide coaching to women / girl students in special skills which involves craft, and other aesthetic skills.
- To enhance women empowerment projects.

3. UMED - उमेद A Finishing School -

To cater the need of higher education for poor & needy rural students Hon.S.N.Alure Guruji has decided to start college and established Jawahar Arts Science & Commerce College.

The students admitted in our college are mostly belongs to rural area and poor families having no any background of education. Such students have potential and talent but due lack of confidence they could not represent themselves. To motivate them and brush the talent of such students the college has designed “UMED” a Finishing School.

Through this school our well qualified & dedicated staff will conduct various activities like

1. **Remedial Classes & Bridge Courses** for weaker students, throughout the semester for subjects perceived to be difficult for improving transition rate , to improve the subject knowledge, to understand the basic concept of subject and to bridge the gap with providing the basic knowledge.
2. **Soft Skill Development Training-** Through these training students trained with Communication skill, Time management, Interview techniques, and Inter personal relationships.
3. **Also -** Conduct mock online test for providing a feel of corporate selections Establish MoU with leading HR organizations in the region for training and placement assistance Conduct high intensity and employer need based training programmes for graduates to secure employment Organize campus interviews and make necessary efforts to secure employment for graduate.

- 1) *Late. Nilkanthappa Ramchandra Alure Award* to Topper in **B.Sc. I Year** by Hon. S.N.Alure Guruji.
- 2) *Late. Aanappa G. Bachate Award* to Topper in **B.Sc.II Year** by Hon. S.N.Alure Guruji.
- 3) *Late. Aanappa G. Bachate Award* to Topper in **B.Sc.III Year** by Hon. S.N.Alure Guruji.
- 4) *Late. Pundalikrao Patil Award* to Topper in **B.Sc. I Year** by Hon. Dr. Ankush Kadam.
- 5) *Late. Pundalikrao Patil Award* to Topper in **B.Sc. II Year** by Hon. Dr. Ankush Kadam.
- 6) *Late. Pundalikrao Patil Award* to Topper in **B.Sc. III Year** by Hon. Dr. Ankush Kadam.
- 7) *Late. Nilkanthappa Ramchandra Alure Award* to Topper in **B.A. I Year** by Hon. S.N.Alure Guruji.
- 8) *Late. Nilkanthappa Ramchandra Alure Award* to Topper in **B.A. II Year** by Hon. S.N.Alure Guruji.
- 9) *Late. Nilkanthappa Ramchandra Alure Award* to Topper in **B.A. III Year** by Hon. S.N.Alure Guruji.
- 10) *Late. Smt. Sakharabai G. Kabade Award* to Topper in **B.A. III Year** by Hon. Maruti Khobare Guruji.
- 11) *Late. Nilkanthappa Ramchandra Alure Award* to Topper in **B.Com. I Year** by Hon. S.N.Alure Guruji.
- 12) *Late. Aanappa G. Bachate Award* to Topper in **B.Com. II Year** by Hon. S.N.Alure Guruji.
- 13) *Late. Nilkanthappa Ramchandra Alure Award* to Topper in **B.Com. III Year** by Hon. S.N.Alure Guruji.

Class Topper Awards for Girl Students

- 1) *Late. Genappa Nagappa Kumbhar Award* to Topper **Girl Student in B.A. III Year** by Hon. S.G. Kumbhar Guruji.
- 2) *Late. Smt. Parwatibai Mangalwedhe Award* to Topper **Girl Student in B.Sc. III Year** by Hon. Smt. Uma Vajirkar Madam.
- 3) *Late. Laxmibai Shivram Bhore Award* to Topper **Girl Student in B.Com. III Year** by Hon. Smt. Indumati Nagnath Salunke (Bhore) Madam.

Subject Topper Awards

Marathi-

- 1) *Late. Sutturappa Baburao Nalage Award* to Topper in **Marathi of B.A. III Year** by Hon. Dr. Rajshekhar Nalage.
- 2) *Late. Kalyanrao Kulkarni Award* to Topper in **Marathi of B.A. II Year** by Hon. Dr. Sanjay Kulkarni.
- 3) *Late. Shivram Govind Bhore Award* to Topper in **Marathi of B.A. I Year** by Hon. Hon. Smt. Meenaxi Nagnath Salunke (Bhore) Madam.

Hindi

- 1) *Late. Baburao Ambaji Birajdar Award* to Topper in **Hindi of B.A. III Year** by Hon. Dr. Mallinath Birajdar.

Sanskrit

- 1) **Late. Smt. Padminibai Raut Award** to Topper in Sanskrit of B.A. III Year by Hon. Prof. Satyendra Raut.
- 2) **Late. Vidyasagar Shastri Award** to Topper in Sanskrit of B.A. II Year by Hon. Prof. Satyendra Raut.

English

- 1) **Late. Lingavvabai Irappa Mule Award** to Topper in English of B.A. III Year by Hon. Dr. Anita Mudkanna.

Physics

- 1) **Late. Vishwanath Shankarrao Rajmane Award** to Topper in Physics of B.Sc. III Year by Hon. Gaurav Somshankar Rajmane.
- 2) **Late. Vishwanath Shankarrao Rajmane Award** to Topper in Physics of B.Sc. II Year by Hon. Gaurav Somshankar Rajmane.
- 3) **Late. Vishwanath Shankarrao Rajmane Award** to Topper in Physics of B.Sc. I Year by Hon. Gaurav Somshankar Rajmane.
- 4) **Late. Shivrudrappa Darekar Award** to Topper in Physics of B.Sc. III Year by Hon. Dr. Ankush Kadam.

Chemistry

- 1) **Late. Bhai Bhagwanrao Patil Award** to Topper in Chemistry of B.Sc. I Year by Hon. Dr. Vishwas Mane.
- 2) **Late. Bhai Bhagwanrao Patil Award** to Topper in Chemistry of B.Sc. II Year by Hon. Dr. Vishwas Mane.
- 3) **Late. Smt. Guravvabai Irappa Mule Award** to Topper in Chemistry of B.Sc. III Year by Hon. Dr. Mallinath Langade.

Botany

- 1) **Dr. D. S. Suryawanshi Award** to Topper in Botany of B.Sc. III Year.

Zoology

- 1) **Late. Bapurao Laxman Rathod Award** to Topper in Zoology of B.Sc. III Year by Hon. Dr. Gopichand Rathod.

Mathematics

- 1) **Late. Dattatray Khandu Aaglave Award** to Topper in Mathematics of B.Sc. III Year by Hon. Prof. Suryakant Aaglave.

Economics

- 1) **Late. Yedaba Yadav Sangale Award** to Topper in Economics of B.A. II Year by Hon. Dr. Sudhakar Sangale.
- 2) **Late. Virpakshappa Sidramappa Varshetti Award** to Topper in Economics of B.A. III Year by Hon. Dr. Rajshekhar Varshetti.

History

Mentorship Programme:

Convener: Dr. Amol Pachpinde

Since 2018 Jawahar ASC College has started its mentorship programme which has been attracting increasing number of mentors and mentees.

Introduction

Mentoring is an interaction process that provides opportunities for the mentors and mentees to experience share and learn from each other's knowledge and talents. The mentor-mentee relationships will have a profound influence on the students' personal growth, career development and even life values. Through mentor-mentee connections, mentor shares professional practice and information, offers advice, and teaches the mentee, and on the other hand, mentee brings in new questions, ideas and enthusiasm to the mentor. Consequently, the mentor-mentee becomes a beneficial process both for the mentor and mentee.

Aims and Objectives:

1. To promote mentoring relationships between parents, alumni and friends of Jawahar College and its undergraduate students, and to encourage active participation by both parties.
2. To expose students to role models so as to learn through the success of mentors.
3. To enhance students' educational, social and personal growth through learning from the experience of mentors
4. To maintain a close link between the college and family of the mentee i.e. Student, for the overall development of mentee/ student.
5. To enable mentors to keep in touch with village life and contribute themselves in the development of village through interaction with the villagers.

Implementation:

The wards of poor farmers and agricultural workers from around 70-75 villages of Anadur area are seeks admission at Jawahar College for their higher education. The responsibility of about 25 admitted students of each village are given to one Professor of our College who act as a Mentor. By staying in contact with these students and their parents, understanding their problems, the Mentor Professor will try and solve them. These professors/ mentors will work as parents of 25 students. These mentors will try to improve educational quality of the allotted students/mentees. Apart from this, they will also be in contact with the villagers and contribute to the development of the village.

List of Mentors for Villages:

The students of their respective village may contact to your Professor/ Mentor and be in touch with him/ her.

मातृभाषा मराठीचे महत्व व इतिहास

मराठी ही मुख्यता महाराष्ट्राची मातृभाषा आहे. महाराष्ट्र, गोवा, दमण आणि दीव, दादरा आणि नगर हवेली या ठिकाणी राज्यभाषा म्हणूनही तिचा वापर केला जातो. मराठी ही भारतातील बावीस अधिकृत भाषांपैकी एक आहे. मराठी भाषा ही भारतात सगळ्यात जास्त बोलली जाणारी चौथी भाषा आहे. मराठीच्या वऱ्हाडी, कोळी, मालवणी, कोकणी अहिराणी, खानदेशी अशा पोटभाषा आहेत. मराठी भाषा २००० वर्षापासून अस्तित्वात आहे. म्हणूनच मराठीला अभिजात भाषेचा दर्जा मिळवून देण्याचा प्रयत्न चालू आहे.

१९८७ नंतर यादव काळात मराठीचा मोठ्या प्रमाणावर वापर केला होऊ लागला. कारण यादवांनी मराठी भाषेला प्राधान्य दिले. यादवांच्या शेवटच्या तीन राज्यांच्या काळात ज्योतिष, आयुर्वेद, पुराण, वेदांत इ. वर मराठी साहित्य (गद्य आणि पद्य रूपात) तयार करण्यात आले.

आज मराठी ज्या रूपात जिवंत आहे ती फक्त छत्रपती शिवाजी महाराजांमुळे, त्यांच्या काळात मराठीला खरे महत्व प्राप्त झाले. शासकीय कामकाज आणि बोलीभाषा म्हणून मराठीचा विस्तार झाला. पण इंग्रजी माध्यमातून शिक्षण प्रणाली आल्यापासून मराठी माध्यमातील शिक्षणाला महत्व देणे कमी झालेले दिसत आहे.

मराठी भाषेतील साहित्य कथा, कविता, कादंबरी, नाटके, प्रवासवर्णने, निबंध लघुनिबंध ह्यांचा दर्जा बघितला तर अतिशय गर्व वाटतो. मराठी साहित्यातील साहित्यकारांनी आपल्यासाठी अतिशय मोलाचा ठेवा ठेवलेला आहे. ते आपण मुलांना वाचण्यास प्रवृत्त करायला हवे आपल्या महाराष्ट्राला बऱ्याच थोर संतांच्या ठेवा लाभला आहे. त्यांना आपल्यासाठी जे दर्जेदार लिखाण करून ठेवले आहे त्याचे अध्ययन, पठन, चिंतन करायला हवे.

मराठी ही एक प्राचीन आणि सुंदर भाषा आहे. तिला अभिजात भाषेचा दर्जा मिळाला पाहिजे. बदलला काळानुसार

इंग्रजी, हिन्दी किंवा इतर भाषा शिकणे गरजेचे असले तरी मराठी भाषेमध्ये जो गोडवा आहे तो इतर कशातच नाही. आपण वेळेनुसार बदलेले पाहिजे पण याचा अर्थ अशा नाही की आपण आपले मूळ, आपली भाषा, मराठी संस्कृती विसरली पाहिजे. आपणाला आपली भाषा, संस्कृती याचे जतन करून इतर भाषेचे ज्ञान घेणे गरजेचे आहे.

आपणाला आपले मूळ, आपली भाषा, आपली संस्कृती याचे जतन करता यावे आणि आपली मराठी भाषा सर्वश्रेष्ठ कशी आहे हे जगाला दाखवून देण्यासाठी, आपल्या संस्कृतीचे जतन करण्यासाठी आणि त्याचे संवर्धन करण्यासाठी मराठी भाषेचे ज्ञान घेणे गरजेचे आहे.

त्याचबरोबर व्यावसायिक दृष्टीने सुध्दा मराठीचे ज्ञान असणे अत्यंत महत्वाचे आहे. महाराष्ट्रात असतो व महाराष्ट्राबाहेर मराठी जिथे जिथे बोलली जाते त्या ठिकाणी मराठी भाषेचे ज्ञान घेणाऱ्यांना नौकरीची संधी मिळू शकते. दुभाषक, वृत्तनिवदेक, संपादक, सूत्रसंचलोक, साहित्यिक, कवी नाटककार इत्यादी अनेक माध्यमाद्वारे आपणाला आर्थिक मोबदलाही मिळवता येतो. आणि त्याद्वारे आपण सन्मानाने आणि स्वाभिमानाने जिवन जगू शकतो. यासाठी आपणाला 'मराठी' विषयाची पदवीसाठी निवड करून ज्ञान संपादन करणे गरजेचे आहे.
